Any bylaw or regulation adopted by the executive board may also be amended, modified or rescinded by a majority vote of the total membership of the association taken at a special meeting, duly warned for such purpose, provided a petition requesting such a meeting, signed by not fewer than ten members of the association entitled to vote in meetings thereof, shall be filed with the secretary of the association within seven days after such bylaw or regulation has been posted on a signpost designated by said board as hereinbefore provided. Sec. 8. The executive board of the association shall prepare and submit a budget to the association, at its annual meeting each year, and shall recommend a tax, for the purpose of and based upon such budget, of not more than five mills on the dollar, on the total value of real estate within the limits of the association as shown by the last-completed grand list of the town of Westbrook, which budget and rate of tax shall be posted on the signpost of the association not less than ten days before each annual meeting. The association may decrease such budget and rate of tax recommended by the executive board, but may not increase the budget and rate of tax. The taxes so levied shall be due to the association from the owners of real estate within the limits of the association as shown by the land records of the town of Westbrook on the first day of the preceding October and shall be collected by the treasurer of the association or any collector appointed by the executive board for such purpose. Each such tax, if not paid when due, shall be a lien upon the property upon which it shall be laid and may be collected by suit in the name of the association by foreclosure of such lien. Such lien may be continued by certificate, which shall be recorded in the land records of the town of Westbrook, pursuant to the provi-

sions of the general statutes relating to the continuance of tax liens. Any tax liens levied by the town of Westbrook on property within the limits of The Island View Beach Association shall have priority over any tax liens levied on the same property by the association. The treasurer or collector of the association or both may be required to give the association sufficient surety bonds in such form as may be determined by the executive board contingent upon the faithful performance of their respective duties. The cost of such bonds shall be borne by the association.

Sec. 9. If any bylaws or regulations adopted by The Island View Beach Association shall conflict with any lawful ordinance of the town of Westbrook, the ordinance of said town shall prevail and supersede the bylaw or regulation of said association.
