

Your Pastor Search Committee accomplished much in June. Our job posting closed on June 15. We received 82 applicants and began reviewing resumes individually and then discussing them as a group. As of the end of June. We have narrowed the list to 20 applicants and sent thank you notes to those we no longer consider optimal candidates. We are diligently reviewing resumes, researching and listening to sermons for those remaining 20.

Our plan is to have the list narrowed to 10 or less by the end of July and begin conversations with those remaining.

Please continue to pray that God will use us to find and recommend to you the man he has to be our Senior Pastor.
