Dear Ms. Barton,

It is my pleasure to inform you that the Space Coast Association of REALTORS® has recommended you for election of Mayor or the City of Melbourne Beach. Along with this recommendation is a contribution from the Realtors® Political Action Committee for \$1,000. The check should arrive to the address listed on the Supervisors of Elections website within a week to ten days.

The REALTOR® Association recommends candidates who champion issues related to real estate, homeownership, and private property rights. In addition, the Association considers support of campaign issues that address the rights of property owners and/or improves the quality of life within our region.

We wish to take this opportunity to congratulate you and wish you success in your election.

We look forward to working with you throughout your elected term.

Sincerely,

Nancy Bartlett
