

It is my pleasure to endorse Joyce Barton, she is the absolute best candidate to serve as Melbourne Beach's next Mayor. Having served on the Commission alongside Joyce for several years, I've had the opportunity to observe her outstanding dedication to our community, integrity, and work ethic. Joyce also remains calm and collected during the sometimes-spirited discussions that take place during our meetings. In my opinion, this is essential for anyone who would serve as our mayor and she is the only candidate with this quality. A vote for Joyce is a vote to keep Melbourne Beach great!
