A2 Ascend: Empowering Stagehands to A2

Welcome to A2 Ascend, a transformative workshop designed to empower stagehands and help them reach the coveted A2 level. Over the course of two action-packed days, totaling 16 hours, plus an additional "Add On Mentor" day, you'll dive deep into the world of equipment usage and industry best practices.

What to Expect

Our carefully crafted sessions are designed to provide you with a comprehensive understanding of equipment usage, industry standards, and the skills needed to excel as an A2 professional. Led by industry experts with years of experience, you'll receive hands-on training and valuable insights that will elevate your career to new heights.

Workshop Highlights

- * Day 1: During the first day of the workshop, you'll immerse yourself in the fundamentals of A2 work. From Exploring different types of audio equipment and their functions. signal flow, manage wireless microphone systems, to troubleshooting common issues, you'll gain a solid foundation in the technical aspects of the role.
- * Day 2: On the second day of the workshop, we will shift our focus to hands-on practice, allowing you to gain practical experience in connecting and configuring audio equipment. Additionally, we will cover the setup and management of COM systems, which are essential for effective communication during live events and productions.
- * Add On Mentor Day: As an exclusive bonus, we offer an additional day where you'll have the opportunity to work closely with a seasoned A2 professional. This one-on-one mentorship experience will provide personalized guidance, feedback, and further insights into the industry.

Why Choose A2 Ascend?

- * Comprehensive Curriculum: Our workshop covers all the essential aspects of A2 work, ensuring you have a well-rounded understanding of the role and its responsibilities.
- * Expert Instructors: Learn from industry experts who have a wealth of knowledge and practical experience in the field. They will guide you every step of the way, sharing valuable insights and best practices.
- * Hands-on Training: Get hands-on experience with industry-standard equipment and learn through practical exercises that simulate real-world scenarios.
- * Networking Opportunities: Connect with fellow stagehands and professionals in the industry, expanding your network and opening doors for future collaborations.

Who Should Attend?

A2 Ascend is ideal for stagehands who are looking to take their career to the next level and transition into the A2 role. Whether you're a seasoned stagehand or just starting out, this workshop will equip you with the skills and knowledge needed to excel in the industry.
