NATURAL STONES FROM NEW ENGLAND

WELCOME

EXPERIENCE NEW ENGLAND

Thinstone Veneers (a division of La Pietra) was a culmination of decades of knowledge and experience in fitting all building types with the finest in stone. Whether a custom countertop or an elegant backsplash, La Pietra became one of the most highly regarded names in the industry with its beautiful selection of natural stones, and its pin point accuracy in installation.

After spending time working on so many great interiors over the years, it was time to take that same kind of dedicated focus and expand our offerings to provide the finest in exterior stone as well. After years of research and focus on the right types of stone and investment in top of the line equipment, La Pietra Thinstone Veneers was born and became the newest addition to the La Pietra family.

With a growing number of prestigious dealers from all over the United States, we highly pride ourselves in maintaining only the best working relationships with a product to match. Please visit our site for even more inspiration at www.thinstoneveneers.com.

We hope to hear from you soon.

SINCERELY,
