Education: Helpful Tips for use of your PAP Therapy

Nasal Hygiene:

Can be purchased at Wal-Mart, Walgreens, CVS, etc. Use as directed. Important to use prior to therapy use at night. (If you use a Prescription nasal spray-first clean your nose with saline then use your medication spray)

Dry Mouth:

Can be purchased at Wal-Mart, Walgreens, CVS, etc. Use as directed. This product is helpful if you still experience dry mouth with the use of your humidifier.
