

GREENLIGHT BASKETBALL

ONCE YOU CROSS THAT LINE IT'S GO TIME

At Greenlight Basketball, we pride ourselves on being fully inclusive, not only to athletes that don't fit the traditional mould of a basketball player that mainstream clubs want, but to families that find the expense of basketball fees, and uniform costs prohibitive.

We were the first independent domestic club to be approved to accept SA sports vouchers, which has reduced the financial burden on our parents. In 2023 over 60% of our Greenlight families have been eligible and used the sports vouchers.

We perform many fundraising activities to fund equipment purchases and extra training by professional trainers and coaches, and now want to give local businesses a chance to both promote themselves and provide our families with a way to reduce the financial burden of having their children participate in the domestic league.

All sponsorship packages directly benefit our basketball families by providing playing tops and merchandise, which will be branded with your logo, giving our parents reduced costs, and your company public exposure.

All sponsorship levels will include advertising on our web page, as well as monthly advertising on our Facebook and Instagram pages. Our posts will include various 2D and 3D transition videos to show the relationship between Greenlight and our sponsors, as can be viewed on our website.

All sponsorship packages last 12 months.

We are offering three sponsorship levels:

ADVERTISING SPONSORSHIP \$500

This package will provide advertising on our webpage, as well as monthly posts promoting your business on our social media platforms. These funds will provide our Greenlight teams with intermittent training by professional coaches and trainers and go towards trophies at the end of winter and summer seasons.

TEAM NAME AND PLAYING TOPS \$950

This package provides all players of a team with playing tops with your logo on the back, as well as the team being named after your company. This will provide your company with exposure both on the courts, as well as your company name being shown on all schedules for the domestic competition.

TEAM NAME, PLAYING TOPS AND MERCHANDISE \$1450

This package provides the above, plus will provide the parent of each player with a short or long sleeve Greenlight shirt with your company's logo on the back. The added benefit of this package is that merchandise with your logo will be worn more frequently than just during training and games.
