

This newsletter includes a curated collection of top stories from [www.CHP-Funder.com](http://www.CHP-Funder.com) and the global media, showcasing the latest in Combined Heat and Power (CHP) innovation and the investors that fund it. Please get in [touch](#) if you'd like to be a guest contributor, or if you have any feedback or tip.

With tremendous response, and epic involvement, there is still time to support [#WorldCogenerationDay](#)

## **WORLD COGENERATION DAY** September 4, 2020

The time has come to celebrate essential CHP workers, and your CHP projects that have kept the lights on for communities and critical facilities. Healthcare, Agriculture, Industry, and Infrastructure. Recognize your people and elevate CHP. Sponsor your event at <https://worldcogenerationday.org/>

## **THE LATEST NEWS IN COMBINED HEAT AND POWER**

### **FEMA Offers \$500M in Resilience Grants. An Opportunity for Microgrids & CHP.**

FEMA has announced a \$500 million infrastructure grant program.

### **Maryland Combined Heat and Power (CHP) Resource Guide**

<https://news.maryland.gov/nea/2020/07/21/combined-heat-and-power-chp-resource-guide/>

### **CHP Maintenance leads to cost savings** [Case Study](#)

### **Nonresidential building spending projected to decline this year and next**

### **Luprino Foods Greeley, Colo., plant recognized for its focus on sustainability**

Fence Post

Dual combined heat and power (CHP) system reducing greenhouse gases significantly. The CHP provides 12 megawatts of onsite electricity generation.

### **Combined Heat And Power Systems Market to Benefit from Swift Technological Advancements** Owned

### **FEMA earmarks \$2.5M+ for Luis Muñoz Marín Int.'l Airport CHP upgrades**

newsismybusiness.com

The **cogeneration** equipment that is part of this first planning phase will operate along with the existing **power** grid.

### **Framework agreement signed with 2G to speed up the installation of green CHP**

Business Wire

A framework agreement covering 25 new **cogeneration** units.

### **Can Onsite Generation With Microgrids Help Zap Widespread Blackouts?** Forbes

Enter a variation of distributed **generation** called **combined heat** and **power**:

### **CFA approval to provide millions in funding for 12 infrastructure projects**

WHAT THE INDUSTRY IS SAYING ABOUT CHP-FUNDER.COM... According to participants, the CHP-Funder.com web platform is the most effective way to match multinational funders with qualified cogeneration and CHP projects. "The industry needs this great tool to shorten the development cycle." CEO of International CHP Project Developer "This is a transformative technology for our market. Wish I had thought of it." Head of Business, Cogeneration Projects USA "For strategically connecting us, you deserve your matching fee," Multinational CHP Project Leader "A great way to bring funding to CHP projects, worldwide." Turbine Manufacturer, North America

## **What Isaias Laid Bare about the East Coast's Progress — or Lack of — on Energy Resilience**

*By elisawood on August 11, 2020*

Superstorm Sandy got the conversation started about microgrids eight years ago after it knocked out the grid in large swaths of the East Coast. How far have we come since then? Isaias provided the answer last week. It wasn't good.
