SAMPLE

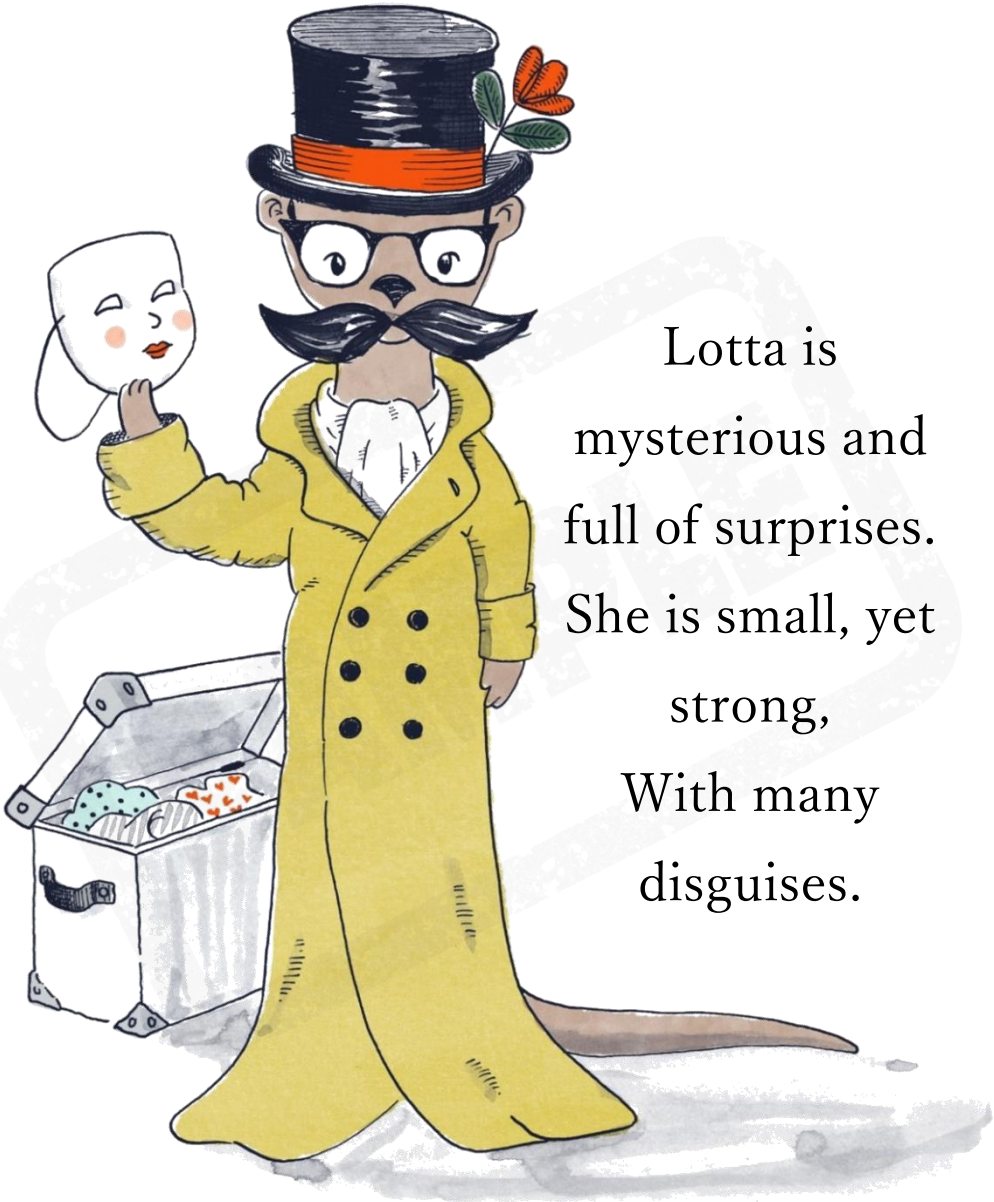

A little otter goes a long way,  
Or so they say.  
Let's not downplay,  
What one can achieve,  
With a little leeway.

Lotta is a tiny otter.  
To do great things,  
You don't need a lotta.  
The people of Coggeshall  
are lucky they got her.

Lotta hasn't ever been seen or heard.  
An otter roaming the streets of Coggeshall.  
How absurd!

Lotta is  
mysterious and  
full of surprises.  
She is small, yet  
strong,  
With many  
disguises.
