# Hugh Giraffe Beginner

The Hugh Giraffe beginner series of textbooks for English language learners combine learning English with art. Readers are encouraged to draw pictures before they write. This helps visual learners to remember new vocabulary.

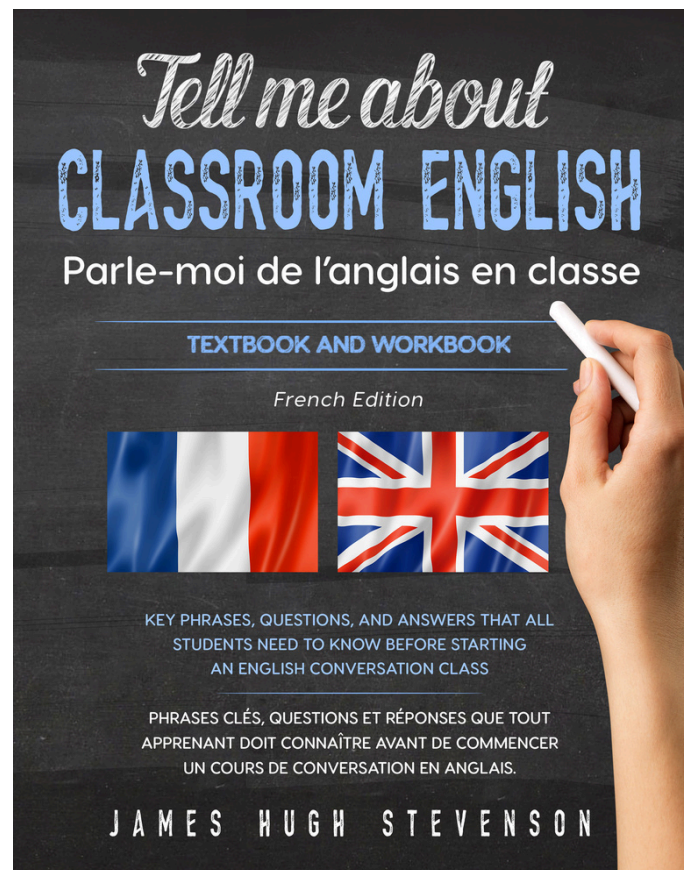

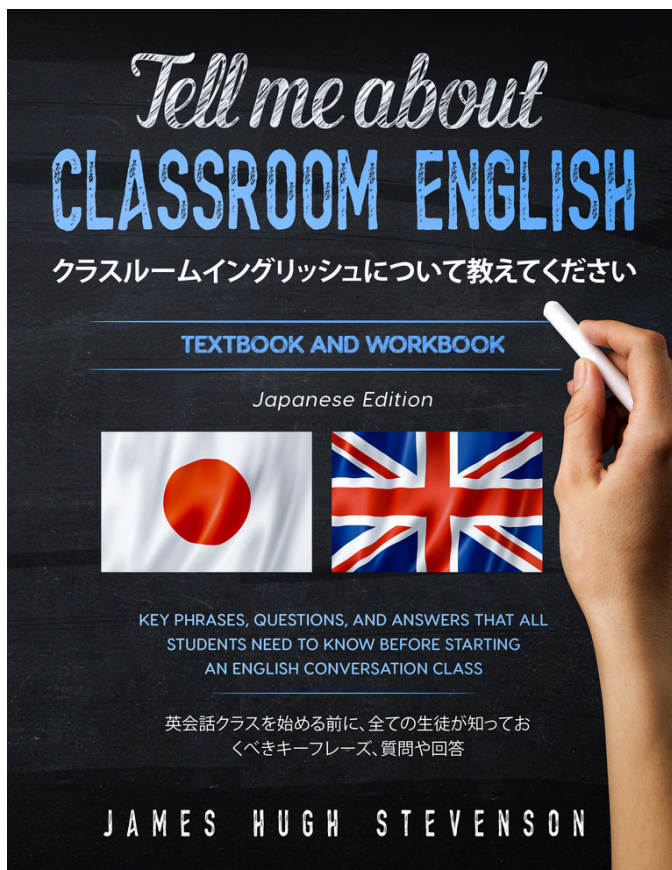

# Hugh Giraffe Advanced

The next step up in the series. The advanced Hugh Giraffe textbooks ask students to write longer passages using idioms and homophones. Illustrating stories is a good way to cement language in the minds of English language learners.

# Tell Me About Classroom English

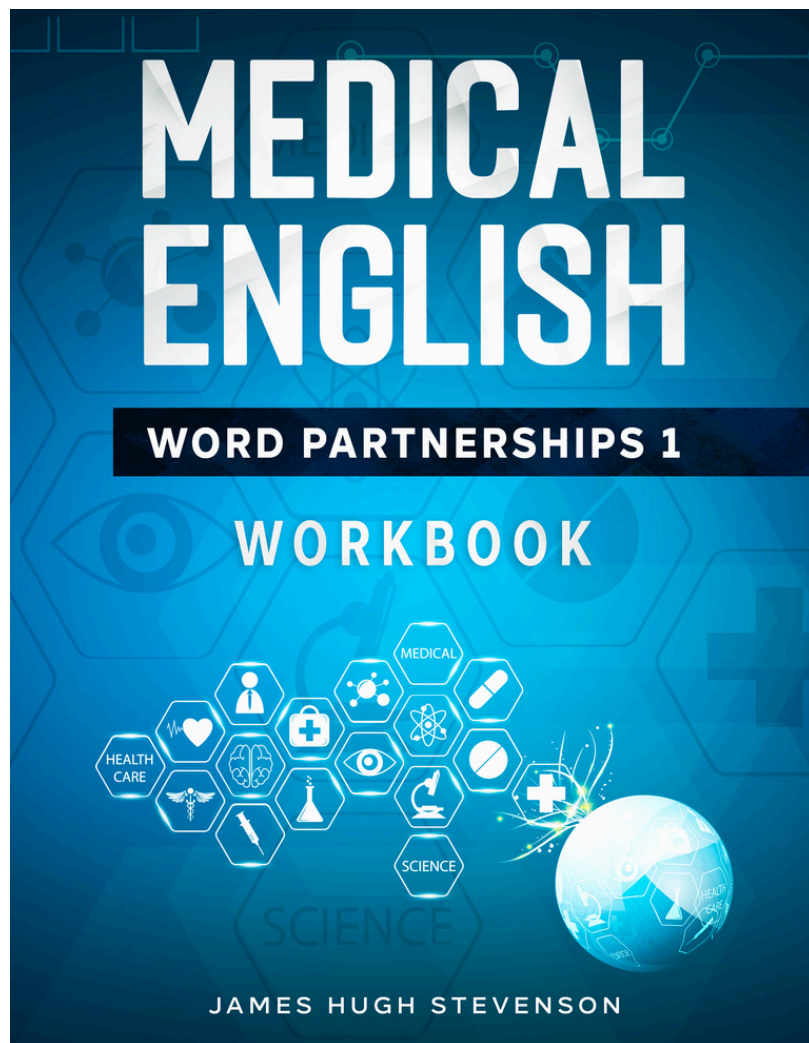

These textbooks are for absolute-beginner English language learners. Students learn the statements and questions that they need for English conversation lessons.

All of **Premier Potential Publishing's** profits from the sale of these books will be donated to the **Red Cross**. They are available with Japanese or French instructions and translations of key vocabulary.

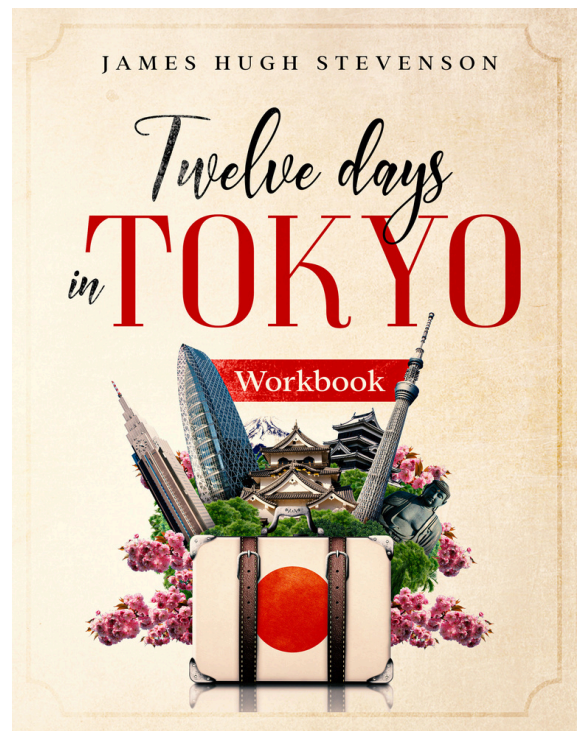

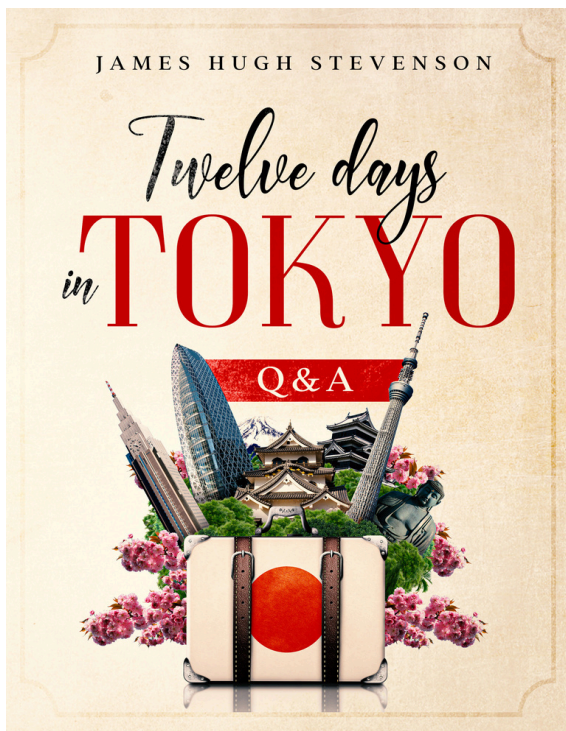

# MEDICAL ENGLISH WORD PARTNERSHIPS 1

***Medical English Word Partnerships 1*** teaches English language learners how to use common verbs in medical situations. It is perfect for any English language learner who is interested in talking about medical situations in simple, common English. It is good for medical professionals, medical students, and everyday conversation students. This book does not contain high-level, complicated medical terms, just plain English.

***Premier Potential Publishing*** donates 10% of its profits from the sale of this book to the **Red Cross**.

# Twelve days in TOKYO

***Twelve Days in Tokyo*** is the first set of books in the "***Twelve Days in***" series.

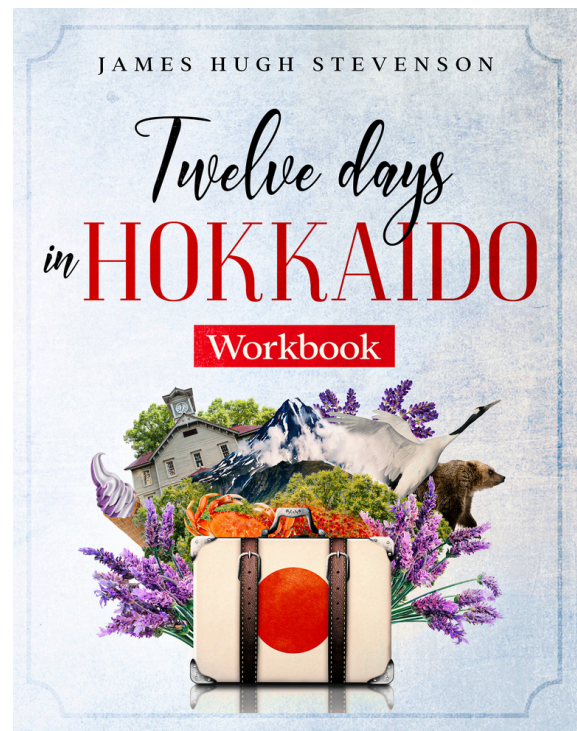

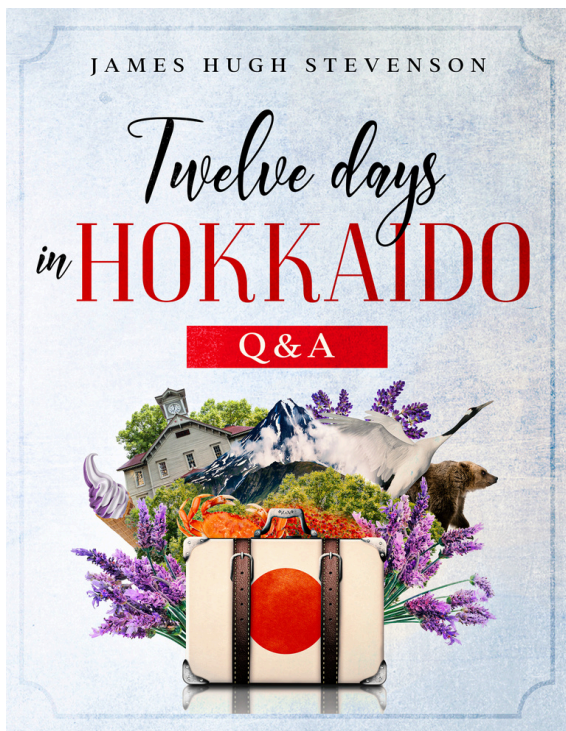

The Q&A book helps English language learners to ask and answer questions about Tokyo.

The workbook reinforces what the student has learned in the Q&A book. Students can learn more vocabulary and practice grammar in the workbook.

These books are ideal for anyone who works in the tourism industry in Tokyo or wants to show visitors around the Greater Tokyo area.

# Twelve days in HOKKAIDO

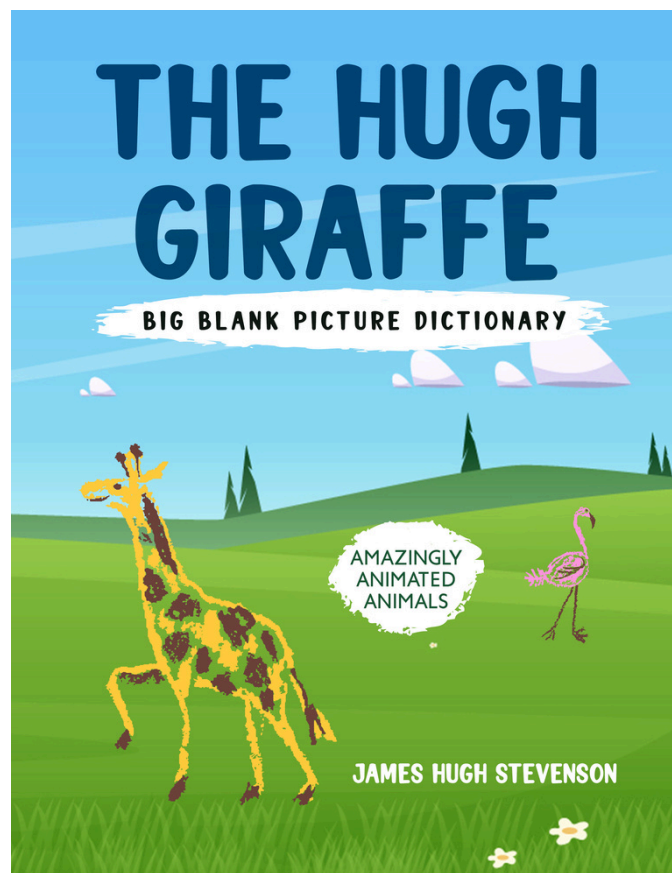

***Twelve Days in Hokkaido*** was written for English language learners who live and work in Hokkaido, Japan.

Hokkaido attracts visitors from all over the world who come for outdoor activities.

These books help local people who work in hotels, restaurants, and resorts. It is also great for anyone who works in tourist information centers or has foreign visitors coming to visit.

Improve your speaking with the Q & A book. Take your knowledge of vocabulary to describe Hokkaido to the next level with the workbook.

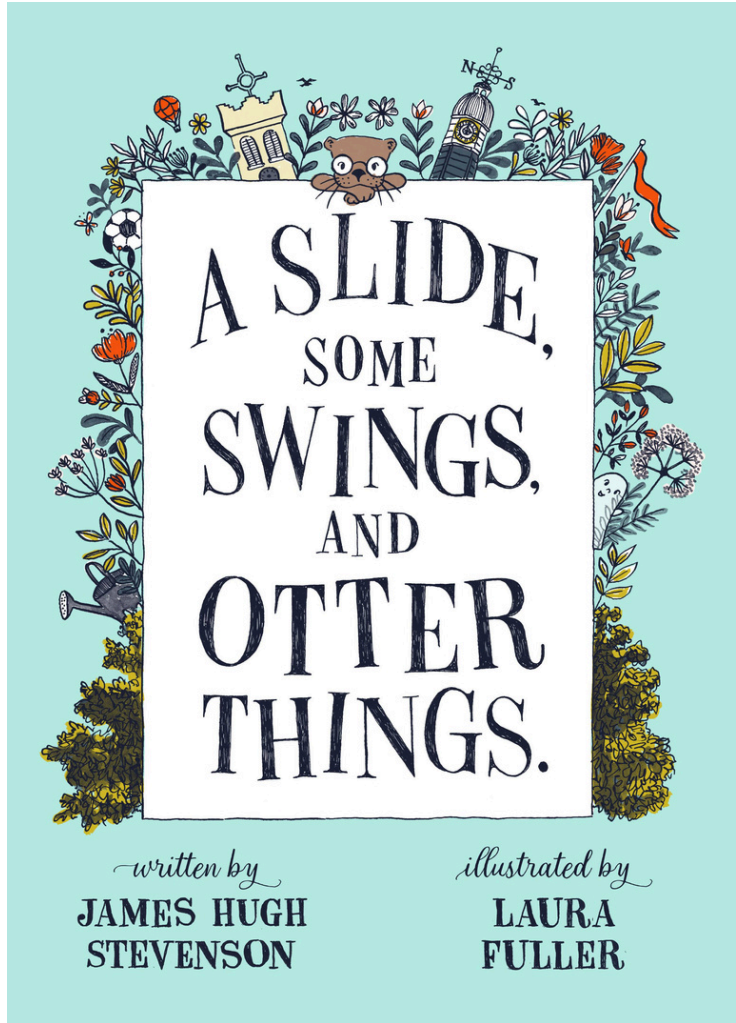

# ***The Hugh Giraffe Big Blank Picture Dictionary***

Make your own picture dictionary.  
Learn the names of hundreds of animals.  
Practice writing about animals.  
15 fantastic backgrounds.  
Practice English or any other language.  
Suitable for language learners of all ages.

# *A Slide, some Swings, and Otter Things.*

*A Slide, some Swings, and Otter Things,  
Was originally written to help the people of  
Coggeshall.*

*To raise money for a local park,  
But that's not all.*

*It's about an otter,  
Who tries very hard.  
She has magical powers,  
It was written by a bard.*

**coggeshall's  
BIG PARK  
PROJECT**

<https://coggeshallbigpark.fund/>

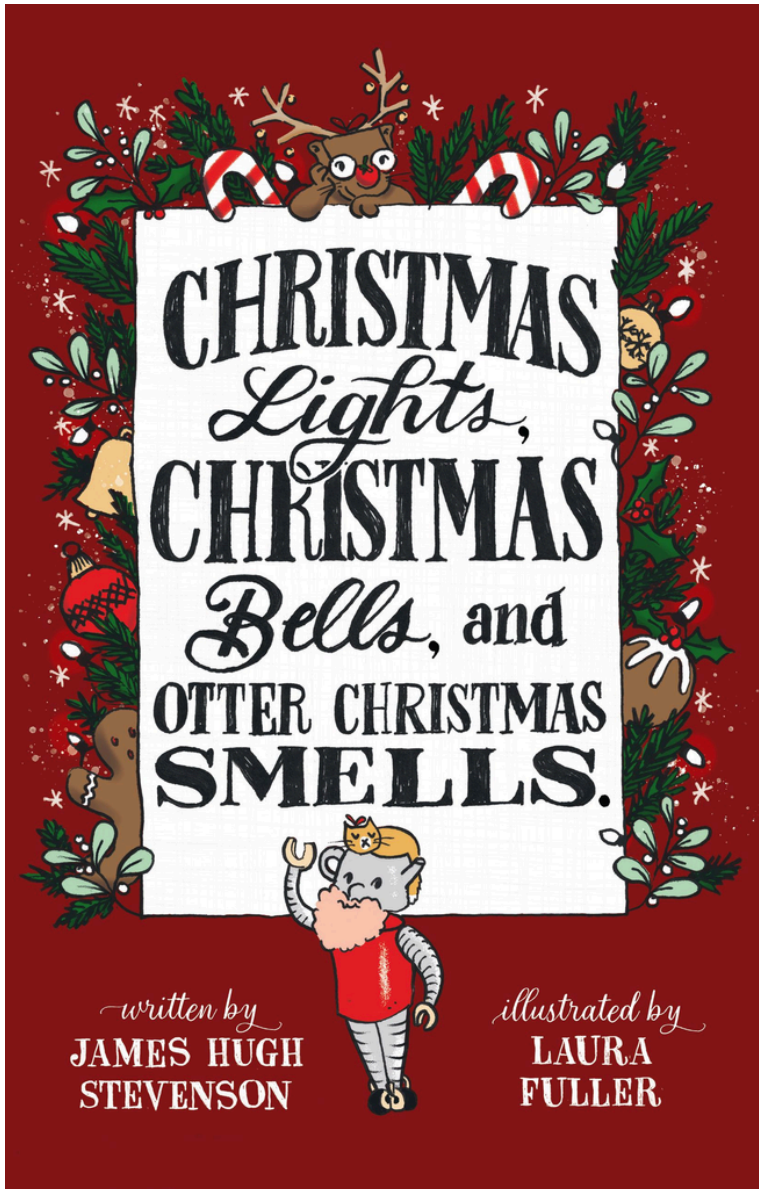

*Written by James,  
Illustrated by Laura.  
It's a rhyming story,  
For me and for ya.*

*Please check it out,  
It's available on Amazon.  
No guarantees,  
Except for Lotta fun.*

**LAURA  
FULLER**

<https://laurafullerillustration.com/>

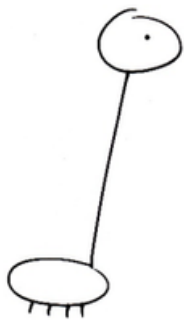

# *Christmas Lights, Christmas Bells, and Otter Christmas Smells.*

This Christmas  
story,  
Is Lotta's second  
quest.

I don't want to brag,  
It might be the best.

Lotta and Rob,  
Take on pollution.  
Santa won't visit,  
Without a solution
