

CANE & COLLAR

Workplace Salt Lamp Compliance Division

Dear Recipient,

Congratulations on taking the first glowing step toward full-spectrum Salt Lamp Compliance.

Inside this bundle, you will find everything required to align your workplace with the evolving standards of the Work Health & Sensuality (WHS) Act of 2025. As your appointed Chief Compliance Officer, I, Mistress Jessie, invite you to embrace emotional ionization, chakra-correct placement, and a deep, unspoken glow of approval.

This pack includes:

- Your Salt Lamp Compliance Application Form
- A printable Certificate of Compliance
- A Workplace Audit Worksheet to assess your lamp-based performance

Please ensure all forms are completed under low lighting and light dominance. Submission is optional - compliance is not.

Warmest ionized regards,

Mistress Jessie
