Temporary dumpsters are limited to a timeframe of 60 days. Once approved and if the dumpster is needed longer than 60 days, please contact Mike Roberson @ [mike@cpiho.com](mailto:mike@cpiho.com) for an extension on that approval. No trash is permitted to be visible over the top of the dumpster or permitted to blow out of the dumpster at any time. Full dumpsters must be emptied immediately.

Dumpsters should be of a neutral color including tan, dark green, brown, etc. We discourage bright colors such as blue and/or pink.

**OWNER AFFIDAVIT:**  
 I understand and agree that:

- **No dumpster may be placed until I receive written approval** from the Troon Village Association (TVA) management, and, if applicable, approval from my sub association.
- If exterior work or changes are occurring, a separate submittal must be made for such work and approved prior to any work commencing.
- If TVA incurs additional costs due to my violation of the TVA Architectural Standards @ Procedures or any other governing document of TVA in relation to construction projects or dumpster placement, then I will be fully responsible for reimbursing TVA for the costs incurred. Failure to pay such costs can result in a lien against my Lot in the amount of such costs.
- It is my responsibility to contact the Property Manager for my specific sub association to request a copy of their Construction Guidelines and/or rules. It is my responsibility to complete all required documentation and return it to the Property Manager prior to construction start.

**TVA's written approvals expire six (6) months after date of issuance; dumpster must be removed prior to expiration.**
