- Please ensure that **Periwinkle** leans toward a **purple**-toned hue. The color Blue is designated for the Wedding Party ONLY.
- If your color is **slightly** lighter or darker than one of the shades listed above, that is perfectly fine, as long as it closely resembles one of the approved shades. If you are conflicted, please text Kennedy.
- Light Gray is approved for **men ONLY**. Also men try to lean toward a darker brown as the groom will be in a light beige!
