BUSINESS SUMMARY

Fearing International Group LLC (FIG) is a global occupational & aviation safety consulting firm that provides environmental, health and safety (EHS) services to private industry, educational institutions and federal, state and local government agencies. Our services are highly refined management solutions to support a critical regulatory (i.e., OSHA, EPA, DOT & DOD) infrastructure. John Fearing, CPEA, founded FIG in 2013. He is a certified professional environmental auditor and has a BS from the University of Massachusetts and an M.Ed from Boston University in Environmental Science. He is a US Army veteran and a retired US Army Lt. Colonel. He served for over 20 years in the Aviation Branch as a utility helicopter pilot and Aviation Safety Officer (15A1S).

CAPABILITIES
