

Dear Friends and Supporters,

We are pleased to invite you to the **23rd Annual Golf Classic for the Cure**, taking place Monday, May 18, 2026, at Jefferson Country Club. Held annually on the third Monday in May, this event unites golfers, sponsors, and supporters with one shared goal: **ending breast cancer forever**.

For more than 23 years, the Golf Classic has supported Susan G. Komen's mission. In 2025, 137 golfers and 58 sponsors helped us raise **\$44,548** for breast cancer research, community health programs, and patient support services.

What began as a local customer appreciation outing has grown into an event supported by companies and individuals across the country. Thanks to supporters like you, our team is now just **\$170,000 away from reaching our \$1 million fundraising milestone**.

Who We Are

The Bouncin' Buckeyes have participated in the **Susan G. Komen 3-Day Walk** since 2005, walking 60 miles to raise awareness and critical funding. To date, we have raised over **\$833,809**.

In 2025, we completed the 60-mile walk in San Diego — a physically and mentally demanding journey made even more memorable by an Atmospheric River storm that flooded camp and altered the route. Still, we walked on. In 2025 alone, our team raised **\$55,885**. The San Diego event raised **\$6.5 million**, and across all 2025 3-Day events, **4,640 participants and donors contributed \$12.3 million** toward life-saving research and support services.

In 2026, we aim to raise an additional **\$50,000** as we continue working toward a cure and our \$1 million goal. Sponsorship support is the foundation of this event's success.

Why Sponsor the Bouncin' Buckeyes Golf Classic

Each member of the **Bouncin' Buckeyes** team is registered to participate in the **Susan G. Komen 3-Day Walk**, a **60-mile walk** that requires a **minimum fundraising commitment of \$2,300 per walker**.

The **Golf Classic for the Cure** is our team's **primary annual fundraiser**, allowing us to collectively raise the funds required so that **every team member can participate** in the walk and continue supporting Susan G. Komen's mission at the highest level.

Your sponsorship of this event directly helps our team meet that commitment — and ensures that every step we take during the 3-Day Walk is fueled by community support.

How Your Sponsorship Saves Lives

Susan G. Komen focuses its mission and funding across four critical pillars that work together to save lives and end breast cancer.

RESEARCH	CARE	COMMUNITY	ACTION
<ul style="list-style-type: none"> Understand, prevent and treat metastatic breast cancer. Discover new treatment and technologies to improve outcomes for all patients. Increase access to and participation in clinical trials. 	<ul style="list-style-type: none"> Address gaps in access to and utilization of affordable, high-quality health care. Provide access to screening, diagnosis and treatment. Help with transportation, childcare and more so patients can focus on treatment. 	<ul style="list-style-type: none"> Provide people with opportunities to share their passion for the movement and compassion for each other. Support survivors, caregivers and those living with metastatic breast cancer. Provide information and guidance to help navigate the care journey. 	<ul style="list-style-type: none"> Advocate for more research funding and protections for patients. Educate health care providers, policymakers, opinion leaders and the public on the burden of breast cancer. Empower patients and the public to take charge of their breast health.

Join our fight. Save lives. Together, we can end breast cancer forever.
