## TDW PROCEDURES & POLICIES

### FOR CLASSROOM SESSIONS:

- 1) Per DMV Regulations, please arrive on time for your scheduled class. Students arriving late may not be admitted to class.
- 2) Cell phone use is unacceptable during class. If a student is distracted with their phone during class, they may be asked to leave the session at any time and must retake the entire class that they were dismissed from.
- 3) Food and snacks are allowed as long as students clean up entirely before they leave the classroom.
- 4) During class time, students must not engage in any other activities inside or outside of the classroom other than for the purposes of fulfilling their commitment within the scope of the driver education program that they are enrolled in.
- 5) Students must respect the property of the driving school and the facility where the classes are being held. Students assume full responsibility for any damages to the facility or school property due to their negligence.
- 6) Students should display behaviors that show a mutual respect towards one and other, instructors and the general public on the site where classes are being held, and this is expected at all times.
- 7) There is no penalty for missing a class session but that class number must be made up to receive a CT. CS-1 certificate.

### FOR BEHIND THE WHEEL LESSONS:

- 1) Please, as a courtesy to other students and instructors, road lessons must be cancelled \*36 hours in advance of the lesson to avoid a cancellation fee. Remember your appointment times for all driving lessons as it was reserved for you alone. A \$50 per hour rescheduling fee for not showing or canceling late will be charged. Cancellations can be made by calling in person or by both, leaving a voice mail followed up with a text message.
- 2) Per DMV regulations, students must have their original learners permit with them before a driving lesson can take place, a copy will not suffice. With your parents permission, we can drive you back home to get your permit if need be but that will use up some of the driving time portion of your lesson. If you cannot find your permit, unfortunately, there would be a cancellation/rescheduling fee so please prepare the day before.
- 3) Drop off points will always be where we began the BTW lesson unless other arrangements have been made by a parent.
- 4) Per DMV regulations, open toe or heel shoes are not permitted to be worn during a driving lesson.
- 5) *Although extremely rare*, parents grant permission to allow their child to ride as a passenger, or to drive as the student driver with a passenger in the car in addition to the driving instructor for the purposes of facilitating an efficient drop off/pick up for the student.

We have read and understand the policies.    Print Name \_\_\_\_\_
