PROCEDURES & POLICIES

FOR CLASSROOM SESSIONS:

- 1) Per DMV Regulations, please arrive on time for your scheduled class. Students arriving late may not be admitted to class.
- 2) Cell phone use is unacceptable during class. If a student is distracted with their phone during class, they may not be ready to handle the responsibilities required of them and may be asked to leave the session at any time and they must retake the entire class that they were dismissed from.
- 3) Food and snacks are allowed as long as students clean up entirely before they leave the classroom.
- 4) During class time, students must not engage in any other activities inside or outside of the classroom other than for the purposes of fulfilling their commitment within the scope of the driver education program that they are enrolled in.
- 5) Students must respect the property of the driving school and the facility where the classes are being held. Students assume responsibility for any damages to the facility or school property due to their negligence.
- 6) Students should display behavior that is acceptable and show a mutual respect towards one and other, their classmates, instructors and people on the site where classes are being held, and this is always expected.
- 7) There is no penalty for missing a classroom session, but that class number must be made up to receive a course certificate.

FOR BEHIND THE WHEEL LESSONS:

- 1) Road lessons must be cancelled *24 hours in advance of the lesson to avoid a cancellation fee. *Please, as a courtesy to other students and instructors, remember your appointment times for all driving lessons as it was reserved for you alone. Please do not forget to reschedule the lesson as far in advance if possible, should there be any conflicts. A \$20 per hour rescheduling fee for not showing or canceling late will be charged unless you provide a doctor's note. Cancellations can be made by calling and leaving a voice mail or by regular email so that a time stamp can be verified.
- 2) Per DMV regulations, students must have their original learners permit with them before a driving lesson can take place, a copy will not suffice. With your parent's permission, we can drive you back home to get your permit if need be but that will use up some of the driving time portion of your lesson. If you cannot find your permit then unfortunately, there would be a cancellation/rescheduling fee.
- 3) Drop off points will always be where we began the behind the wheel lesson unless other arrangements have been made by a parent.
- 4) Per DMV regulations, open toe or heel shoes are not permitted to be worn during a driving lesson.
- 5) Parents grant permission to allow their child to ride as a passenger, or to drive as the student driver with a passenger in the car in addition to the driving instructor for the purposes of facilitating an efficient drop off/pick up for the student.

The above student has permission to take the driver education course with The Driving Whisperer, LLC. I have read the policies and release TDW LLC, from any liability from any accident or injury occurring while my child is on a driving lesson or attending a class.
