Protect Your Community—Stop Crime Now

Harrison County Crime Stoppers is an organization of the community, law enforcement, and the media working together to help bring crime down in our county.

We work with our community members to bring in tips and raise awareness.

We have built a system of complete anonymity. If you choose to remain anonymous, it is entirely up to you. We don't know who you are or where you are unless you tell us. Creating this system helps us to get more tips, thus making our community safer.
