HOMELESSNESS

The reasons for homelessness are as many as the number of people experiencing it.

Factors that lead to homelessness

STRUCTURAL FACTORS

- Poverty
- Discrimination
- Lack of affordable housing

SYSTEM FAILURES

- Barriers to accessing public systems

INDIVIDUAL AND RELATIONAL FACTORS

- Crises
- Housing insecurity
- Interpersonal and relational problems
- Interpersonal violence
- Persistent and disabling conditions
- Trauma

\$53,144 per person per year

- 2009 to 2011 study in Vancouver, Winnipeg, Toronto, Montreal, and Moncton
- 937 participants
- Substance use treatment
- Shelter stays
- Ambulance services
- ER visits
- Hospital stays
- Police calls and wellness checks
- Court appearances
- Incarceration
- Social development

IF WE WANT TO STOP PEOPLE DYING ON ROADS, WE INVEST MONEY IN SEATBELTS, NOT IN THE EMERGENCY DEPARTMENT.

In the same way regarding homelessness, why would we wait to intervene with a young person when they're in crisis, when we can intervene early and keep them at home, and in school and engaged?
