Welcome

Choosing a quilting pattern should be fun - not overwhelming

Thank you for choosing Birdsbill Mercantile to finish your quilt.

This guide showcases a selection of our edge-to-edge quilting patterns available through our quilting services. Browse the following pages, choose the pattern you love, and enter the pattern name or number on your Mail-In Quilt Form.

Prefer Birdsbill's Choice? Simply enter Birdsbill's Choice in the Quilting Pattern field, and we'll thoughtfully select a quilting design that beautifully complements your quilt.

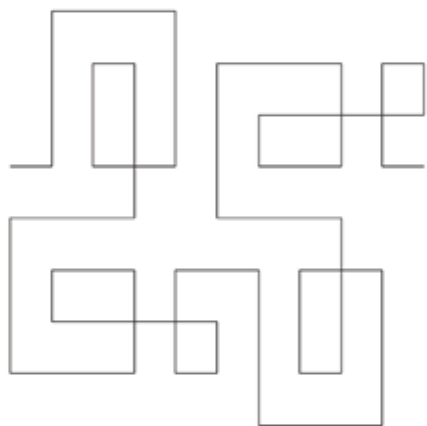

Before You Choose

- Pattern size may be adjusted to best complement your quilt.
- Thread color and batting options are determined by your selected quilting service.
- Every quilt is unique, so quilting may appear slightly different depending on your quilt's size and layout.
- If you have any questions before sending your quilt, we're always happy to help.

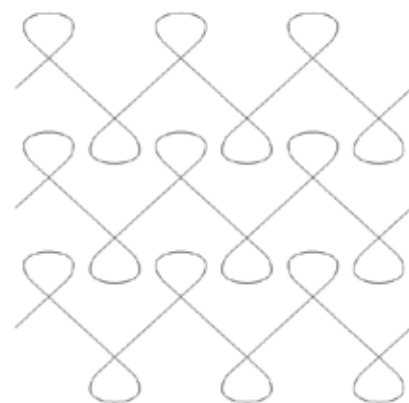

Curated Stitches

Our Curated Stitches service was designed for quilters who want beautiful, professional quilting without the stress of sorting through hundreds of patterns.

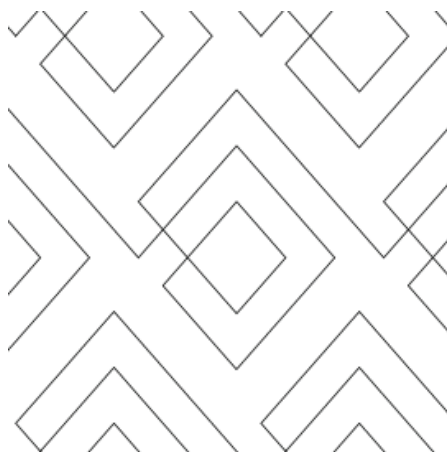

We've carefully selected five versatile edge-to-edge designs that complement a wide variety of quilt styles. Simply choose your favorite—or leave the decision to us, and we'll select the pattern that best complements your quilt.

Need Help Choosing?

Every Quilt Tells its own story

If you're unsure which quilting pattern is right for your project, don't worry—we're here to help.

Many of our customers know exactly which pattern they want. Others simply leave the pattern selection blank and let us choose. Either option is perfectly okay.

Ready to Get Started?

Complete our Mail-In Quilt Form online, or schedule an in-person appointment to drop off your quilt.

We look forward to helping bring your quilt to life.

Questions before you send your quilt? We'd love to help.
