

AMENDMENTS TO MRA CPOPP

Consistent with the Guidance provided by the New Jersey Department of Health, the previously submitted plan is hereby amended to include all restrictions and policies required by the Department of Health.

More specifically Pool Management has implemented the following policies:

Staff entering the facility shall sign in and be thermo scanned for fever. Any person that has a fever of 100.4 degrees or above shall not be admitted to the facilities.

Staff is encouraged to be on the alert for signs of illness and to stay home when they are sick. In order to effectuate this policy, pool facilities should institute the following protocol:

▪ Screening for fever or signs of COVID-19 illness at designated entry points prior to being permitted to enter the facility.

Symptoms related to COVID-19 include:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

The density and capacity of the facility and pools shall be limited to 28 sq. ft./person, as outlined on page 4 of the Department of Health Guidance.

The Main Entrance shall be used to enter the property and sign in and all guests shall enter through the gate near the diving well to avoid congregation. Social Distancing signs have been placed around the property and 6 Foot Markings will be placed on the floor where needed. Guests are encouraged to Maintain social distancing while on the pool deck and also in the water (unless an individual needs assistance in order to swim. Tables and chairs have been limited and spread out to effectuate Social Distancing.

Masks shall not be worn by lifeguards or by children under the age of 2.

The following signage shall be placed prominently at the entrance and on the property:

Notice from the New Jersey Department of Health

- Face coverings are strongly encouraged
- Face coverings should NOT be worn in the water (increases the risk of drowning)
- Hands should be washed frequently with soap and water
- Hand sanitizer that is at least 60% alcohol should be used if soap and water are not available
- Do not touch your face (especially eyes, nose or mouth) with unwashed hands
- Be on the alert for signs of illness and stay home if you have symptoms of COVID-19 or are otherwise sick
- Practice social distancing and avoid large gatherings

In the event that anyone shows signs or symptoms of COVID-19, they shall immediately be requested to wear a mask and isolated from other guests or staff. Staff shall immediately put on a mask and gloves and shall make record of the identity of the guest and symptoms, shall require that the individual leave the property, and recommend that the individual seek medical attention. Proper authorities shall then be notified of the situation for further guidance.

Restrooms:

High touch areas and items such as faucets and toilet seats in the restrooms shall be sanitized once an hour. The following signage shall be placed at the entrance of each Restroom and shall be monitored by staff:

ATTENTION!

Foot coverings are **REQUIRED** in the restroom, shower and changing areas.
The maximum occupancy of this restroom is **6** people.

MRA shall also comply with any and all future requirements or recommendations of the Department of Health or the Local Health Authority.
