

# St. Vincent's Hospital Prostate Cancer Educational Forum

Gold Sponsor: **Johnson & Johnson**

# Welcome

We acknowledge the Traditional Owners of the land, and recognise their continuing connection to land, waters and culture and their significant contribution to health & science. The Garvan Institute and The Kinghorn Cancer Centre are on the ancestral lands of the Gadigal people of the Eora Nation. We pay our respects to their Elders past & present. We committed to ensuring equity, diversity, inclusion and belonging are in our DNA and we are proud of what we can achieve when our people can come together.
