**Crates:**

We like to recommend this type of crate, they're available in several different brands. Things we like about it:

Its collapsible, has a divider and pan, has multiple doors and is available in many different sizes.

## **Toys, Tugs, Good Stuff:**

Here are some good toys for training and play. On the tug toys, use two that are similar or the same so that "Two Toy Trade & Fetch" is easier. That way, one toy is not competing against the other.
