

Security Camera Policy

Dear First Lutheran Preschool Parents:

The safety and well-being of our students, families, staff, and visitors is a top priority at First Lutheran Preschool. To help provide a safe and secure learning environment, our campus is equipped with a security camera system. Security cameras are located in strategic locations throughout the school, including:

- The playground
- Both side gates
- The main entrance
- The school office

In addition, a video doorbell is installed at the front entrance to assist with visitor monitoring and access.

The cameras are positioned to monitor key areas of the campus and are used solely to enhance the safety and security of our students, families, staff, visitors, and property.

Camera footage is intended for school security purposes only and will be accessed only by authorized personnel when necessary. Only the Preschool Director and church Office Manager can access the footage either onsite or remotely, as needed.

Thank you for your partnership in keeping First Lutheran Preschool a safe place for all.

- First Lutheran Preschool Administration

Acknowledgement

I acknowledge that I have read and understand the First Lutheran Preschool Security Camera Policy.
