

First Lutheran Preschool

Security Camera Policy

Dear FLP Families,

To secure the safety and security of all children, staff, parents, and visitors, as well as the security of our preschool facility, First Lutheran Preschool have installed security cameras. Cameras are installed outdoors as well as one indoors; one in the playground, 2 outdoor side gates, front door, and the school office. We also have a Blink Video Doorbell located at the front door. Our security cameras have been positioned in appropriate places within and around our preschool and are used in order to help promote the safety and security of people and property.

Because we respect the privacy of all children, parents, and staff in our preschool, our security cameras are for internal purposes only.

Only the Director and Church Manager have access to our security cameras either at the school office at the site or may be viewed remotely at a different location when not on campus.
