Thank you for considering us for your grocery order! We hope you have time to answer a few of the following questions to help us fill your crew's order in the way that you prefer. We are willing to do what it takes to make your crew feel like they are being taken care of and answering these questions will help us do so!

Are you operating on a budget? If so, what is it so we can help you stay under? \_\_\_\_\_

Are you okay with store brand items? Mainly in the dry grocery section? \_\_\_\_\_

Do you want large or regular sized items? \_\_\_\_\_

Comments or Questions: \_\_\_\_\_

### ***Our Promise to you and your crew:***

Since we are a grocery store dedicated to serving the river industry, we know that our standards need to be higher in quality so that the items that you receive will last. We guarantee the freshness and quality of our products to last until you use them to cook for your crew especially meat, produce, and dairy.

Our phone number is **270-499-2098** and we take calls from 8am-7pm central. You can also text this number anytime with any questions or concerns. Our Email is **[orders@rampstop.com](mailto:orders@rampstop.com)**. You may email in your orders 24/7.

We will respond and let you know when it is received.

CODs will be paid for before or during the delivery. We will call with total price as soon as CODs are with order. If paying with a card, we will call for payment before delivery. If paying with cash, we call to see what change we will need to have on hand

### **DELIVERY OPERATIONS**

Recently, we have focused solely on grocery order fulfillment and have partnered with multiple delivery services to help get your order to you. We now use the services of:

#### **Wootens River Service**

(Ohio River MM599)

#### **Evansville Marine Service**

(Ohio River Owensboro and Evansville Area)

#### **Barnes Marine Service**

(Paducah and Cairo area)

We work with these delivery service providers to get your order to you safely and efficiently.

We work hard to serve crews like yours. Please give us any of your feedback. We appreciate you all!
