# WELCOME

---

## **MASERATI PERTH GRAN FONDO 8 - 9 SEPTEMBER 2018**

On behalf of Barbagallo Maserati and the Perth Integrated Health Group of Companies – welcome to the inaugural Maserati Gran Fondo!

You are the foundational participants of this special Motor Touring weekend which is a combination of appreciating the refinement, heritage and motoring prowess of Maserati, while you wind your way through the picturesque South West of WA. We will weave our way through some stunning local sights before we embark on a wine pairing masterclass hosted by our friends from Howard Park Wines.

Relax over dinner as they take you on an oenological journey through the region.

---

# PREPARATION FOR THE JOURNEY

---

## Your Vehicle

If you are borrowing a Maserati from Barbagallo Maserati please make sure you have contacted Martin Simek the Sales Manager to confirm details before the start of the event.

Martin is contactable in the following ways:

Email: [MartinS@barbagallo.com.au](mailto:MartinS@barbagallo.com.au)

Mobile: 0484777344

Suffice to say please also have your Maserati fuelled up and ready to go when we take off from Barbagallo Maserati as we will not be making any fuel stops until Bunbury and from there no more till our destination on South West Highway to Manjimup.

## Your Personal Self

As the Gran Fondo involves an overnight stay at Manjimup I recommend that an overnight bag would suffice. The usual toiletries are required but no linen or bedding is required.

The recommended attire for the weekend will be:

- a. Maserati Gran Fondo Polo Shirt\* & Pants / Jeans for the Journey down south-west
- b. Dinner Suit or Sports Jacket for the Gents and Dress for the Ladies for our Maserati Dinner presented by Howard Park Wines
- c. Sports Attire with Maserati Cap\* for those indulging in the walk / run with the Event Crew

# DETAILED PROGRAM

---

## Day 1: Barbagallo to Manjimup Route

E-Route Link: <https://ridewithgps.com/routes/28501118>

Elevation vs Distance of Trip from Perth to Manjimup  
Maserati drivers with I.C.E. function in their vehicles will find the economical use of this feature during the cruising aspect of the journey to around the 230 km mark. Still others who have dedicated M or Manual mode with Paddle shifters will find in this mode that the Maserati vehicle will hold their dedicated gears and have a lot of fun with the difference in the exhaust note sounds!

From the 240 km mark onwards to the end of the journey – we start to progressively climb and also experience the twisty roads to Manjimup via Bridgetown and Balingup along the South West Highway. Sports mode in normal D or Drive or Drive with Paddle Shifters in S mode is recommended for that good old Maserati field.

For those experienced with their Maserati vehicle use S or Sports mode with M or Manual engaged and reveal in the use of the gearing for your cornering and braking. Note that throughout the entire Gran Fondo – we will NOT exceed the prescribed speed limits as we are compliant to the WA Road Rules as part of this event.

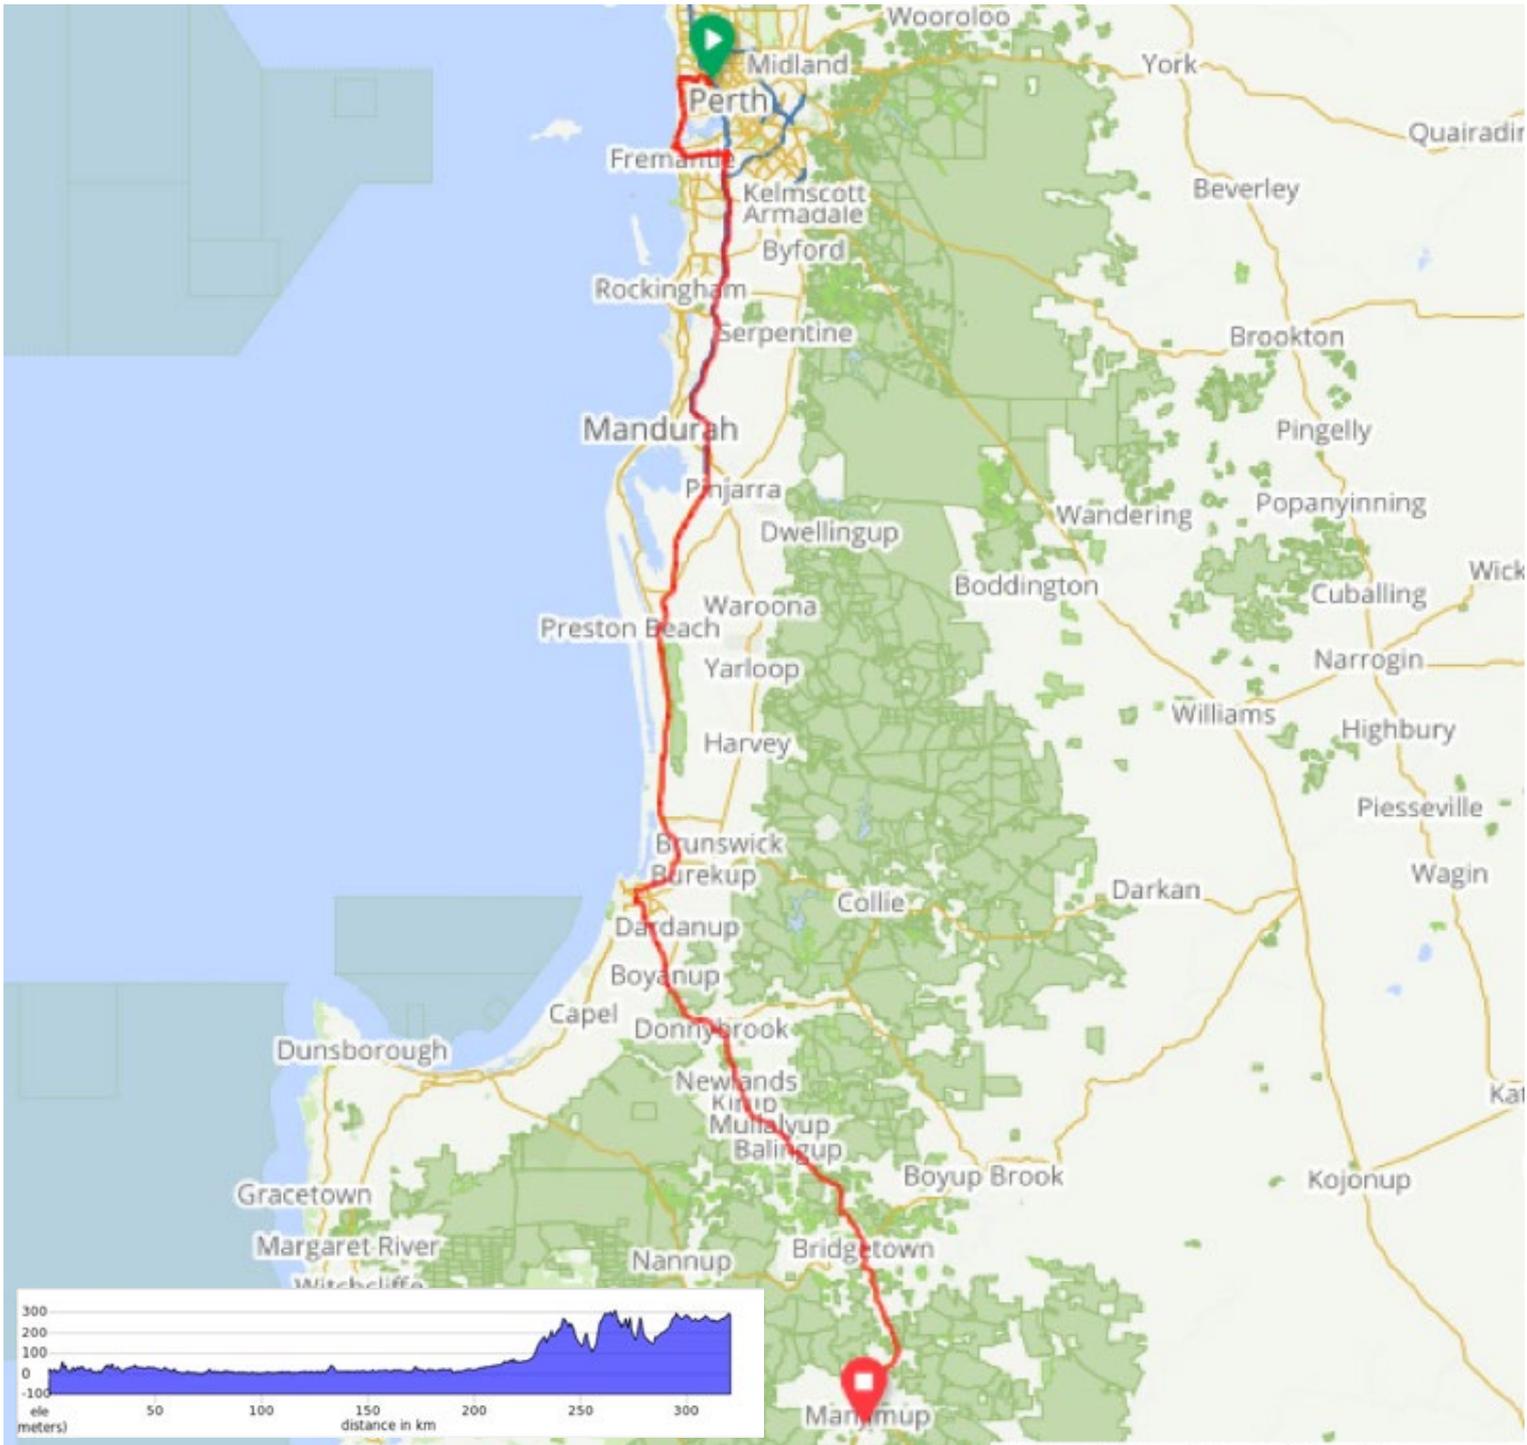

Route from Perth via West Coast Hwy through to Kwinana Freeway-Forrest Hwy to Bunbury and from there via South West Hwy to Manjimup.

We will use the Freeway South to help clear most of the congestion of the Freeway all the way to Mandurah and beyond, turn into South West Highway from Bunbury (191 km from the start point) and head towards the timber country of Balingup (256 km from the start point) towards Bridgetown (282.5 km from the start) before we arrive in Manjimup (320.5 km from the start).

Estimated arrival Bunbury (191 km from start): 1:45 pm  
Departure Bunbury after Refuelling (15 min stop): 2:00 pm  
Estimate arrival Balingup: 2:45 pm  
Afternoon Tea: Balingup (45 min stop)  
Departure Balingup: 3:30 pm  
Estimate arrival Bridgetown: 4:00 pm

# DAY 2

---

## Day 2: Journey from Truffle Wine Co to One Tree Bridge Manjimup

Part of the Gran Fondo is also appreciating the beauty and nature of the Southern Forests. The region is rich in history and in produce and we have enclosed for you some reading material about the produce of the region which makes all so important for preservation and the future of eco-tourism and agricultural tourism.

This quick photo stop is 20 km from the Truffle Wine Company and we are estimated to be there by 11:30 am for a 15 mins stopover thus leaving at 11:45 am.

Do read up about One Tree Bridge here as this is our next stop: <https://parks.dpaw.wa.gov.au/site/one-tree-bridge>

## Day 2: Journey from One Tree Bridge to Busselton

From One Tree Bridge we make our way through the forest country making our way through Graphite Road onwards to Nannup.

One Tree Bridge to Nannup is approximately 36 km of winding roads that will once again test your skills and the abilities of the Maserati vehicles in your capable hands. We should expect to pass Nannup therefore between 12 noon to 12:15 pm.

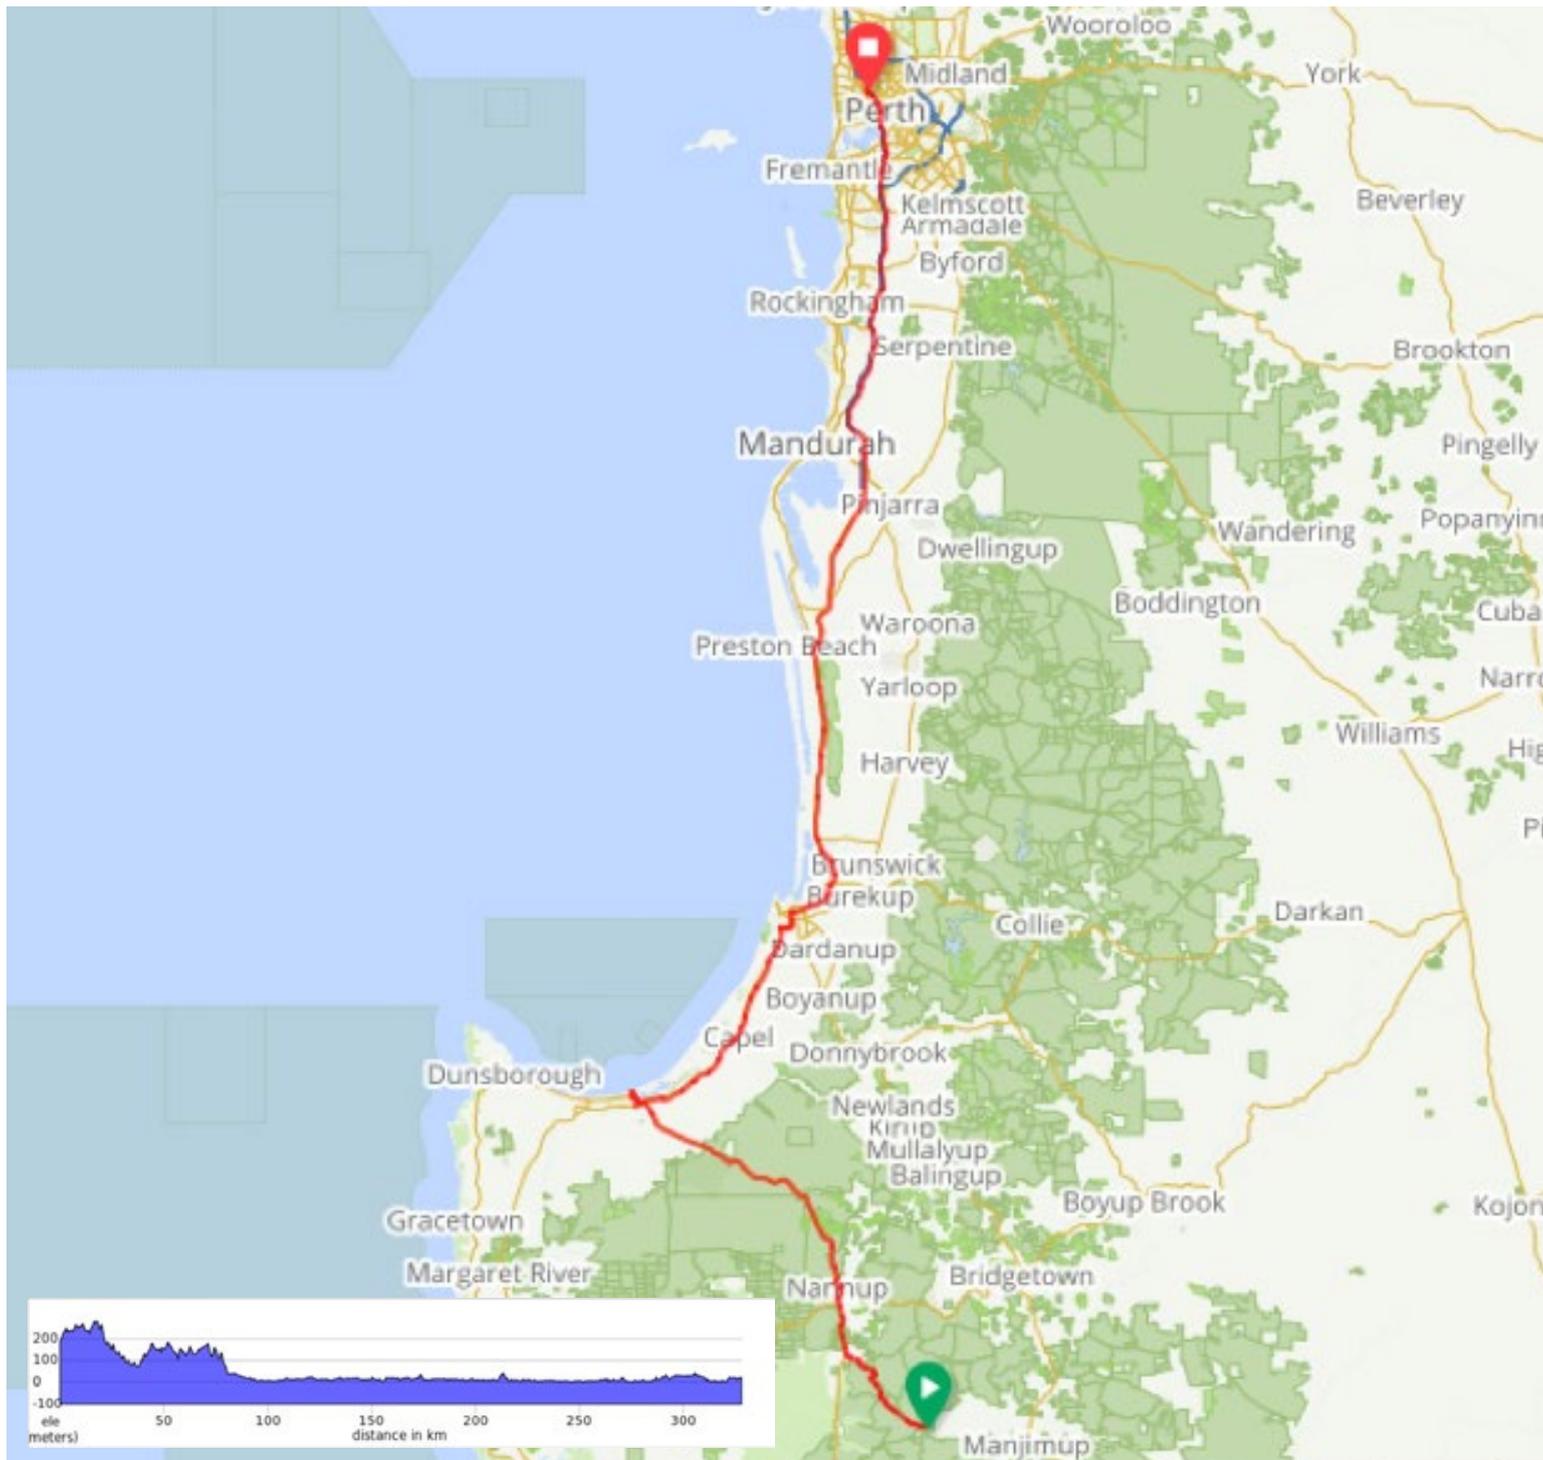

From there we head straight towards Busselton Jetty where the cafes by the Indian Ocean should whet your appetite for a light lunch before we head back to Perth.

The distance between Nannup and Busselton Jetty is around 64 km and as it is not always straight roads, so we should expect to arrive there by 1:00 pm.

Stopover in Busselton is 45 mins for that light lunch and we should be back on the road again by 1:45 pm for quick refuelling in the local petrol station before we head back to Barbagallo Maserati in Osborne Park.

Estimated departure time for Perth from Busselton 2:00pm. Distance from Busselton to Perth is 228 km which conservatively means we will arrive back at 4:45 pm.

# SOUTHERN FORESTS

The locals in the Southern Forests region of Western Australia have known about it for generations. *In this gorgeous, pristine part of the world, something magical is going on.*

Maybe it's the clear, crisp air. Or the extraordinary fertility of the soils. Maybe it's the 365 growing days a year. Or the purity of the rainfall. Or maybe it's a combination of all these things. Truth is no one knows for sure.

But what we do know is this. Every time you bite into an apple, or slice into an avocado, or you're tempted by a truffle, or any of the other wondrous vegetables, meats, fruits and nuts that are grown in the Southern Forests region, you'll be left in no doubt that the array of fresh local produce simply looks, smells and tastes better.

THAT'S A GENUINE EXPERIENCE.
