

Minnesota Timber & Millwork Customer Inquiry Worksheet - Trim

Customer Name: _____ Date _____

Our standard shapes/profiles with no upcharge, are as follows:

"S4S" (surfaced 4 sides), with 4 square edges, sanded on the good face, in the following dimensions:

1x3	3/4" x 2-1/2"	5/4 x 3	1" x 2-1/2"
1x4	3/4" x 3-1/2"	5/4 x 4	1" x 3-1/2"
1x5	3/4" x 4-1/2"	5/4 x 5	1" x 4-1/2"
1x6	3/4" x 5-1/2"	5/4 x 6	1" x 5-1/2"
1x8	3/4" x 7-1/4"	5/4 x 8	1" x 7-1/4"

For an additional charge, you can customize the standard S4S list above, as follows:

- Thinner and/or narrower than the sizes above
 - 1 Eased Edge with the eased edge sanded
 - 2 Eased Edges with the eased edges sanded
 - Hidden Relief milled into back side for stability and ease of working
- ** This is most applicable to wider widths

Lengths

Standard lengths are random lengths 6' to 12' in 1" increments.
Specified lengths may be available upon request, and are typically 30% higher price. (example: 5 pcs 6' / 20 pcs 7-1/2' / 9 pcs 8')
Lengths up to 16' may be available upon request, and are typically 30% higher than 6' to 12'.

Order Size

We are happy to Quote your order regardless of size. Larger orders have a lower per lineal foot cost.
