Q: What was your role on the case?

[11:28:24.00]
JOHN: I prosecuted the case. It was, on behalf of the Commonwealth, I was the Commonwealth's attorney for Clark county, Nevada, and so I was one who had to make the decision whether to charge him or not. And then, of course, once we charged him I was in charge of the prosecution.

Q: Did you always want to go into criminal law?

[11:28:49.08]
JOHN: No. (Laughs) As a matter of fact, I had a cousin that I had not met in years since we were a little tots. And she was living with a prominent family up in DC who was a lawyer.
