

HTR AC / HEAT & REFRIGERATION

ABOUT US

HTR AC / HEAT & REFRIGERATION is a full-service residential, commercial, and industrial air conditioning, heating and refrigeration company dedicated to providing the residents and businesses in the Golden Triangle Area of Southeast Texas excellent products and service when you need it and provides preventative maintenance to maintain it properly, so your investment is protected and well maintained to last a long time.

WHY CHOOSE US

PROFESSIONAL

Providing the highest quality product and service.

TRUSTED

Allowing for the most cost-efficient solutions

AFFORDABLE

Ensuring prompt delivery and within budget

OUR SERVICES

- **COMMERCIAL AND INDUSTRIAL HVAC**

We will provide a thorough exam before deciding to replace your unit. If needed, our skilled technicians are trained to install the highest-rated equipment.

- **COMMERCIAL AIR CONDITIONING REPAIRS**

Not only will we keep everything running at total capacity, but we will offer insight on what you can do to keep your unit maintained between visits.

- **COMMERCIAL REFRIGERATION**

Food service operator or restaurant owner, you can't afford to have vital equipment break down unexpectedly. HTR provides commercial refrigeration maintenance programs to restaurants in SE Texas that keep your commercial refrigerators and freezers running dependably and efficiently.
