

# WORK-BASED LEARNING

Bridging the gap between individuals and high-demand, high-skill careers in the Gulf Coast Region.

## Gain work experience while making money!

Real-life work experience where individuals, ages 16 and older, can apply academic and technical skills to develop their employability.

- Flexible schedule, up to 30 hours a week
- 8-12 week internship with weekly pay
- Opportunities for permanent employment upon completion
- Work-Readiness Training

### Services available during internship:

- Childcare, clothing & transportation assistance
- Scholarship assistance
