

# Elisha and the Widow

2 Kings 4:1-7

A poor widow asked Elisha for help.

**Her husband had died. The family did not have enough food.**

Elisha asked, "What do you have?"

**The woman just had one small jar of oil.**

Elisha asked the woman to get as many empty jars as she could find.

**"Pour the oil from the small jar to fill up the others," Elisha told her.**

The woman started pouring.

**The woman poured and poured until every jar was filled up!**

Then Elisha said, "Go sell the jars of oil. Then you'll have enough money for you and your sons."

**The woman followed Elisha's instructions. God helped the widow and her sons.**

## FAMILY DEVOTION

## BIBLE PASSAGE: 2 KINGS 4:1-7

God provides for us. Sometimes God provides in surprising ways. What are some ways that God provides for your family? Make a list on a large sheet of paper or poster board. At the top of the paper or poster board, write: "God provides for the (name of your family)."

*Pray together. What are some ways your family needs God to provide this week?*
