Snow Removal Reminder

- ◆ The Right-of-Way is a dedicated strip of land intended for the accommodation of traffic movements, utilities, drainage, and other similar public uses. During the winter season, the right-of-way behind the roadway is reserved for snow storage to expedite snow removal. This area may extend seven feet or more beyond the road edge, into the Lot.
- ◆ Each owner of an adjacent walkway is required to remove the snow from the walkway. Your neighbors and their kids use the walkways for exercise and to get to school, a cleared walkway is safer then walking in the road.
- ◆ All snow from your driveway **MUST** be deposited on the lot from where it came. It is unlawful to deposit snow on to a public right of way or a neighbors lot. Please be considerate

BACK TO SCHOOL

Our kids have headed back to school, as the morning light fades **PLEASE SLOW DOWN!** Keep an eye out for kids walking to the bus stops and school. Parents talk to your teenagers and emphasize the importance of driving the speed limit, a life may depend on it. Be reminded to keep the walkway in front of your home shoveled and clear of ice.
