EDDIE K. WRIGHT

Author Eddie K. Wright is a fitness trainer, Yoga instructor, spiritual motivational speaker and an inmate at a federal prison. His personal transformation upon realizing the Universal laws and love of life supports his conviction in his "Gangster to Guru" book series. The premier release "VOICE FOR THE SILENT FATHERS" details the struggle and inner conflict with being the parent of a homosexual child in the day, and a known connected gangster at night. Overcoming his "No son of mine" mentality, by realizing the true meaning of unconditional love wasn't easy, but his deep insight, heartfelt honesty, and 'laugh to keep from crying' attitude, makes for a humorous read for anyone touched by this issue which means it's for everyone!
