

“Praise God for His Provision!

We're thrilled to report that 20 widows from isolated villages of Banswada-Rajasthan, who are daily laborers struggling to make ends meet, have received ration kits that will sustain them and their children for 40 days.

These women, who earn meager wages to drive their daily routines, are now able to feed their families thanks to your generosity. We're grateful for UGCA support in bringing hope and relief to those who need it most.

May God bless you for your kindness and compassion!"
