Loogootee to graduate 66 seniors, Shoals 49

BY COURTNEY HUGHETT

Martin County Journal Publisher

Loogootee High School will hold their graduation on Friday, May 24, at 7 p.m. in Jack Butcher Arena. 66 students will receive diplomas.

The evening will begin with the processional by the LHS Band and opening by Jake Carrico, Senior Class President. The high school jazz choirs will then sing The National Anthem followed by "The Prayer" arranged by Teena Chinn and "Thank You" arranged by Misty Mosby.

Hope Fischer, Senior Class Vice President, will then introduce the class speakers. Four Valedictorians have been named this year for Loogootee – Cade Chezem, Hope Fischer, Maxwell Christmas and Sheldan Christmas. No salutatorian was named. Each valedictorian will give speeches.

Maxwell Christmas, Class Secretary will give a goodbye from the class and Sheldan Christmas, Class Treasurer, will present the slide presentation followed by "Battle Hymn of the Republic" by the LHS Band. The presentation of diplomas will then be done by Loogootee Superintendent Chip Mehaffey and High School Principal Christopher Walker.

Mr. Walker will then give his remarks

the class of 2019. The LHS Band will close out the commencement with the recessional.

The LHS Class of 2019's motto is "We only set the bar low for limbo," by Michael Scott.

The class flower is the white carnation.

Commissioners discuss jail, roads, West Boggs

BY COURTNEY HUGHETT

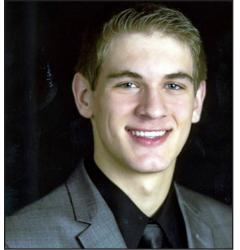

Martin County Journal Publisher

The Martin County Commissioners met Monday, May 20. The commissioners typically meet every other Tuesday however changed the date due to not having a note taker because the auditor and her staff are gone to conference starting Tuesday.

Sheriff Travis Roush presented the commissioners with a check \$101,605 from Vigo County for housing inmates the past four months. Roush said they

currently have 76 inmates with 30 of them from Vigo County.

Commissioner Paul George asked the sheriff if he has received any feedback about the jail remodel, from the public. Roush had presented a proposal to the commissioners at their last meeting about remodeling the indoor activity area of the jail to add more beds. The sheriff and the commissioners wanted to see if the public had any input before moving forward. Roush said he hasn't heard from any-(See 'COMMISSIONERS' on page two)

one, good or bad. The commissioners all said they haven't either. Roush said he plans to move forward with the remodel after he talks to Greene County and after he puts together an analysis on how many additional jailers he would need with the increased bed. He said Greene County is almost done with their new jail and he wants to find out if they plan to take away his Vigo County inmates. He added that this would make a difference in his jail remodel. "Sustainability is a big concern for all of us," he said.

Roush told the commissioners that he's had a hard time getting bids for a new video system. He said he currently only has one bid and expects one more, but that's all he thinks he is going to get. He believes the cost will be under \$50,000. He also reported that he is getting good feedback from installers for the intercom system and doesn't believe it's going to cost as much as he thought.

Highways Superintendent Leo Padgett said they are having trouble with farmers crossing the roads and damaging the blacktop. He said it's happened three times already this season, the most recent on Wininger Road. The farmers are taking their track hoe across the road without using any kind of protection and Padgett said it has to stop. The commissioners discussed putting together an estimate on the damages and sending it to the farmers. They also talked about creating an ordinance that states farmers must use boards, tires or some other form of protection before crossing the

County Attorney Dave Lett said he and Padgett will come up with the cost of the damage to be repaired and send it to the farmers.

The commissioners spent some time looking over four applications for a part-time mower for the highway department. After review, they voted to hire Jacob Wade for the parttime position, who was the highway department superintendent's recommendation. Commissioner Kevin Boyd voted against the hire but didn't

Jameson Hibbs, with West Boggs Park, requested help with chip and seal on all the roads in the park. He gave the commissioners a cost breakdown which included the commissioners donating their machinery to do the chip and seal. Hibbs said West Boggs will pay the wages for the highway department workers and the materials, they just need the equipment and labor. Daviess County will be doing the paving and Martin County will be doing the chip and seal. The commissioners approved allowing the highway department to do the work.

The commissioners approved a new contract with HWC Engineering. The contract covers another road analysis or PAMP (Pavement Asset Management Plan) for \$13,000, for half of the county's roads, which has to be done every year now per INDOT. The contract also includes applications for three bridge projects through Community Crossings for \$3,000 each, for this year, and \$7,000 for the bid documents and inspections. The total of the contract is \$29,000. The contract gets the commissioners through the rest of the year. In January, more application fees will incur to apply for Community Crossings again.

The commissioners asked if it was a good idea to include the three bridges on the Community Crossings application in the fall, since they were all denied last grant cycle. Tim Hunt, with HWC, said INDOT has never said bridges should not be included. He said that federal aid packages on those bridges would take years and if the county can get approved to do the three bridges through Community Crossings, they would be done, and the commissioners could move on.

Residents from Red School Road and 1180 East asked for help with improving their roads. The residents from 1180 East, near Hillham off Highway 56, said a section of roadway, on a steep hill, is very dangerous and the road is getting very narrow and washed away. It has been graded, however the residents said that is not solving the problem because after one rain, it's back to the same condition. The commissioners requested that the highway superintendent send a crew to widen the road on the hill after talking to the landowners in the area to make sure it was okay.

The Red School Road residents requested a section of their road's ditch be cleaned out due to gathering debris. Highway Superintendent Padgett said they would take care of it.

Becky Guthrie, with Ride Solutions, came before the commissioners to request increased funding for next year. Guthrie said she has tried to get the amount the county gives to Ride Solutions increased but the county council won't raise it from \$1,500. She said she went to the county council, per the commissioners' recommendation, and they seemed receptive to increasing the funding however they didn't increase it. She asked the commissioners what could be done. Commissioner Dan Gregory said that everyone gets cut, no matter the organization, but they can put the request in for a high amount and that might help by the county council cutting it less. They settled on \$3,000. Guthrie said they are increasing rides provided to Martin County residents. "We do a lot here in Martin County, we really do," she said. She said it's not a lot to ask for what they are doing for Martin County. According to stats she gave the commissioners, Ride Solutions gave 12,000 rides in Martin County in 2018.

Jill Vaughn, with the Census, was requested to attend the meeting to answer questions about forming a census committee. Vaughn came to the commissioners a few months ago and talked to them about the upcoming 2020 Census and the need to get the word out about the importance of the count. She had said a committee could be formed to help get the word out. After discussion, the commissioners voted to appoint Vickie Wathen as the Census Committee Chairperson. Wathen will work to find four other committee members who will meet to brainstorm ideas for getting all of Martin County counted.

The commissioners signed the contract with Radius Indiana for the \$97,949 loan to replace the roofs on the jail and courthouse. It was tabled last month because the roofing contractor, Bunkham Valley Roofing, had not been in contact with anyone at all this year about starting work. The contract was awarded in December last year. Commissioner George said he spoke with the contractor and they will start work in two or three weeks.

The courthouse will be closed Monday, May 27 in recognition of Memorial Day.

Obituaries

MARY ELAINE ARVIN

Mary Elaine Arvin passed away peacefully at home on May 9, 2019

after a five-year battle with appendicle cancer. A resident of Saxtons, Vermont, she was 73.

She was born March 19, 1946 in Washington, Indiana; daughter of

ELAINE ARVIN Duffin and Delphia (née Jones) Harritt. She graduated from Washington Catholic High School Class of 1964. She was an active member of the high school dance/jazz band playing trumpet. She received a bachelor's degree from Marian College in 1968. She married Marion "Dan" Arvin, of Loogootee, on July 13, 1968. Their favorite weekend pastimes during their early years were camping and rock hunting; which turned into an amateur jewelry making hobby. They lived together in Vincennes for over 25 years before moving to Newburgh and most recently resided in Saxtons River, Vermont. They celebrated their 50th anniversary in 2018. Together they raised two children.

Elaine was very active with her children and grandchildren's lives throughout the years. In addition, she was a Girl Scout Leader, Cub Scout den mother, 4-H leader and an assistant scoutmaster. She was also very active in the George Rogers Clark Volunteers organization that participated in American Revolutionary War reenactments.

Elaine was a customer service professional throughout her professional career. She worked at Kings Restaurant, Royal Gift Stamps, Sarah Lee as a L'eggs pantyhose representative, Wabash Food Service, Healthy Families Indiana and most recently for Silver Forest of Vermont until she retired in 2015. In her retirement, she loved to attend school events, band concerts and scouting events with her grandchildren. She was also an avid gardener, sewing enthusiast, canner of vegetables/preserves and an active member of the Saxtons River Plant Swappers in which she enjoyed going on garden tours with them.

She leaves as her legacy two children, Sherri Arvin (Neil Mallan) and Charles Arvin (Misty Clawson). She also leaves to cherish her memory, her husband, Dan Arvin of Saxtons River, Vermont; her sisters, Judy Welp of Jasper and Linda Harritt of Washington; her beloved grandchildren, Liam and Austin Mallan, Izabel Arvin and Kaitlin Clawson; niece, Ann Clark (Welp) and nephews: Mike, John, Jim, and Rob Welp and their beloved children.

She was preceded in death by her parents, Duff and Del, Tommy Mac Harritt, her infant brother, and Sophia Pereira Silva Arvin, her infant granddaughter.

A Celebration of Life is scheduled for May 26 from 2-4 p.m. at King Solomon's Masonic Temple in Bellows Falls, Vermont. In lieu of flowers, please donate in her memory to your favorite organization, local school, community band or Boy Scout Troop.

A minister had a habit of sneaking out to the back woods golf course to play golf on Sunday afternoons. Gabriel and St. Peter, watching from above, were concerned.

One day they decided that the minister should be punished. So, St. Peter said to Gabriel, "I'll take care of it next Sunday."

When the minister teed off, the ball went straight down the fairway and fell into the cup.

Gabriel said to St. Peter, "What kind of punishment is this?"

St. Peter replied, "Who is he going to tell?"

-- MEMORIAL DAY --

This weekend we celebrate Memorial Day. It is a time when people across America pause to reflect on the supreme sacrifice made by American soldiers who have died in service to our nation. It is a particularly meaningful holiday for those who have loved ones who died in military service. Memorial Day has its origins back to May 5, 1868 when General John A. Logan called for a nationwide day of remembrance on May 30, 1868. The day's purpose was to decorate the graves of their comrades who died in defense of their country as a result of the Civil War. At that time, it was called Decoration Day. It has only been within the last 50 years that the day was officially recognized by our government as Memorial Day.

-- MEMORIALS --

To memorialize a loved one is an important part of any family's, and their friends', grieving process. Memorials are a way that families can remember and pay tribute to loved ones who have passed on. Memorials allow a person to be remembered for years to come. A memorial tells the family that while their loved one may be gone, his or her memory and spirit lives on. They will be forever tied together in the circle of life, that the loved one's life mattered and will continue to matter. Their acts of goodness, kindness and courage will never be forgotten. A memorial is a way to remember a loved one forever.

-- GIFTS TO CHARITIES --

There are several ways to remember our loved ones, some of which are headstones or grave markers, memorialization urns, statues, plants, flag cases, acts of kindness, writing a heartfelt letter to the family, or a donation to a charity.

When making a donation as a memorial or tribute to a loved one, you need to be sure that it is made to a charity that honors that

person. In obituaries you will often see the phrase "in lieu of flowers, memorial contributions/donations may be made to...". This identifies where to make your donation as a memorial. If you do, you need to do this in a timely fashion (within 10 days after the funeral), so that the family can include you when writing thank you notes.

If a charitable organization was not specified, then choose one that may have been a favorite charity of the deceased, or perhaps a medical research organization if they passed on from an illness.

-- MCCF FUNDS --

The Martin County Community Foundation has several funds that will let your memorial donation, and the spirit of your loved one, live on forever. The MCCF funds will always be used for future assistance to our local community needs, whether they be for a cemetery, a library, church or other charitable organization, certain areas of interest, or a variety of scholarships. And if you are not sure which specific fund or need to donate toward, the MCCF has several unrestricted funds that have the flexibility to address the emerging and changing needs in our community, today and tomorrow.

-- WITH MORE NOW --

And if you want that memorial to have even more impact, the MCCF has a matching grant opportunity in place at this time. With this grant, the MCCF can match \$2 for every \$1 donated to an unrestricted fund and 50¢ for each \$1 donated to any other fund type. The matching grant is available through December 2020, but on a first-come, first-served basis while the grant funds are available.

-- MORE INFORMATION --

If you would like to find out what funds are available to let the memory of your loved one live on forever, please contact the MCCF Director, Curt Johnson, at 812-295-1022 or mccf@cfpartner.org.

MARTIN COUNTY JOURNAL Wednesday, May 22, 2019 Page 8

Master Gardener

The connection of Memorial Day and flowers has existed from the holiday's beginning. Indeed, the holiday that is now the unofficial beginning of summer originally was known as "Decoration Day", a name that stems from the custom of decorating the graves of Civil War veterans with flowers and flags. After World War I, the custom was extended to decorating the graves of all veterans, and eventually, to decorating the graves of friends and family in general.

As a child, I remember helping my grandmother gather flowers from the garden and make bouquets in coffee cans and other containers to take to the cemeteries. The boxes of flower-filled cans and jars would be loaded into the trunk of the car and we would make the rounds to several cemeteries where ancestors are buried. In later years, the flowers were switched to artificial flowers, which would last longer than the cut flowers.

While grandma used whatever flowers were in bloom, one flower is more closely associated with Memorial Day than any other—the red poppy. This stems from a poem written by a soldier after a World War I battle in the Flanders area of Belgium. It was May 2, 1915 and Lieutenant Colonel John McCrae and his Canadian unit were involved in a fierce battle with German forces near the village of Ypres, Belgium. McCrae witnessed the death

of a friend and former student, Alexis Helmer, who was killed by a German shell. Helmer was buried that night in the Essex Farm Cemetery. The next day, while looking at his friend's grave, McRae wrote the now-famous poem, "In Flanders Fields".

In Flanders fields the poppies blow Between the crosses, row on row That mark our place: and in the sky The larks still bravely singing fly Scarce heard amid the guns below. We are the dead: Short days ago We lived, felt dawn, saw sunset glow, Loved and were loved: and now we

In Flanders fields!

Take up our quarrel with the foe To you, from failing hands we throw The torch: be yours to hold it high If ye break faith with us who die, We shall not sleep, though poppies

In Flanders fields.

McCrae's vivid imagery of the blowing red corn poppies soon gave rise to the use of paper or silk red poppies to raise funds for veterans' causes. I remember helping my mother sell such poppies for the American Legion Auxiliary outside of Allbright's store in Prospect.

While many people now see Memorial Day as a day for racing and picnics, I urge you to remember the poppies of Flanders fields. Remember those who paid a high price for our freedom.

Producers are invited to Grazing 102 course

Producers can get first-hand tips from experts on how to incorporate management-intensive grazing techniques during a two-day seminar hosted by Purdue Extension. Grazing 102, which will take place June 21-22, will cover numerous topics on best management practices, including plant growth and development, soil fertility, forage identification, rotational grazing, fencing, and watering systems.

Grazing 102, a course which is designed to help producers successfully run their own operations, will be held at the Southern Indiana Purdue Ag. Center, 11371 East Purdue Farm Road, located near Dubois, Ind. The program is 1:00-6:00 p.m. (EDT) June 21, and 8 a.m. to 4:30 p.m. (EDT) June 22. The fee is \$60, which covers materials, management tools, and refreshments.

The event will also include pasture walks and field tours to provide handson opportunities, identify forage and weed species, and demonstrate rotational grazing.

The seminar provides an invaluable opportunity to have direct contact with expert speakers and peers. Focus is on small group discussions with extensive interactions with seminar experts and

USDA announces new decision tool for new dairy margin coverage program

Agriculture Secretary Sonny Perdue announced on April 30 the availability of a new web-based tool – developed in partnership with the University of Wisconsin – to help dairy producers evaluate various scenarios using different coverage levels through the new Dairy Margin Coverage (DMC) program.

The 2018 Farm Bill authorized DMC, a voluntary risk management program that offers financial protection to dairy producers when the difference between the all milk price and the average feed cost (the margin) falls below a certain dollar amount selected by the producer. It replaces the program previously known as the Margin Protection Program for Dairy. Sign up for this USDA Farm Service Agency (FSA) program opens on June 17.

"With sign-up for the DMC program just weeks away, we encourage producers to use this new support tool to help make decisions on participation in the program," Secretary Perdue said. "Dairy producers have faced tough challenges over the years, but the DMC program should help producers better weather the ups and downs in the industry."

The University of Wisconsin launched the decision support tool in cooperation with FSA and funded through a cooperative agreement with the USDA Office of the Chief Economist. The tool was designed to help producers determine the level of coverage under a variety of conditions that will provide them with the strongest financial safety net. It allows farmers to simplify their coverage level selection by combining operation data and other key variables to calculate coverage needs based on price projections.

The decision tool assists producers with calculating total premiums costs and administrative fees associated with participation in DMC. It also forecasts payments that will be made during the coverage year.

"The new Dairy Margin Coverage program offers very appealing options for all dairy farmers to reduce their net income risk due to volatility in milk or feed prices," said Dr. Mark Stephenson, Director of Dairy Policy Analysis, University of Wisconsin, Madison. "Higher coverage levels, monthly payments, and more flexible production coverage options are especially helpful for the sizable majority of farms who can cover much of their milk production with the new five million pound maximum for Tier 1 premiums. This program deserves the careful consideration of all dairy farmers."

For more information, access the tool at fsa.usda.gov/dmc-tool. For DMC sign up, eligibility and related program information, visit fsa.usda.gov or contact your local USDA Service Center. To locate your local FSA office, visit farmers.gov/service-locator.

Spring Mill SP hosts Living History Weekend

Step back in history and experience the sights and sound of pioneer life with Spring Mill State Park's Living History Weekend, May 25 and 26.

Visit encampments, watch as meals are prepared, and find out about camp life during both days of the event. Tour the buildings and see spinning, weaving, leather working, and woodworking. You can also play pioneer games on the mill lawn.

Take pictures with Civil War re-enactors, then watch at 2:30 p.m. as they engage in a Civil War skirmish, complete with cannons fired at the opposite

side at Sycamore Shelter, just off the Pioneer Village parking lot. The Pioneer Village will be open until 5 p.m. but visitors will be able to visit with re-enactors all day.

There will be a pioneer memorial service at the Hamer Cemetery on May 27 at 2 p.m. Park admission during the event is \$7 per vehicle for in-state residents and \$9 per vehicle for out-ofstate residents. 2019 Annual Entrance Passes are also available.

Spring Mill State Park (on.IN.gov/ springmillsp) is at 3333 State Road 60 East, Mitchell, 47446.

Native Warm-Season Grasses for Grazing workshop

Producers can get first-hand tips from specialists on the use of native warm-season grasses for their farm's grazing systems during a workshop on June 21. The "Using Native Warm-Season Grasses in a Grazing System" Producer Workshop runs from 8:30 a.m.-noon (EDT) and will be held at the Southern Indiana Purdue Ag. Center, 11371 East Purdue Farm Road, located near Dubois, Ind.

The workshop will include topics such as the potential role of native warm-season grasses in a grazing system, animal performance and economics, grass establishment, and native warm-season grass management and maintenance. The event will also feature a pasture walk to view native

warm-season pastures currently in use at the SIPAC facilities.

There is no charge to attend this event, but pre-registration is required for materials and meals to jhodge34@ utk.edu. Information on the Grazing 102 workshop, which will occur immediately following this event, can be obtained from Jason Tower, Superintendent, SIPAC, at towerj@purdue.edu or ph. (812)678-4427.

This native warm-season grass workshop is hosted by the Center for Native Grasslands Management, the Southern Indiana Purdue Agricultural Center, the National Bobwhite Conservation Initiative, Quail Forever, the USDA Natural Resources Conservation Service, and Purdue Extension.

Lady Lions fall in tennis sectional semi-finals Lady Lions over

The Loogootee Lady Lions Tennis Team was defeated in sectional semi-final action last Wednesday, May 15. The Lions fell 2-3 against Northeast Dubois. The girls finished the season with a record of 12-8.

After the matches, Head Coach Mike Tippery said, "This was a tight match throughout. When we played them early in the season, I didn't think we played very well in a 3-2 loss. Today, we played much better. Annalise finished off a strong second half of the season posting the first win for us. Emily Wade put together another solid performance at #2 singles. Early in the year, we got drilled by Dubois at #1 doubles 6-2, 6-0. Today, Kashten and Leonna fought hard and created opportunities for themselves in their match. In the end, they were just a point or two

Coach Tippery went on to say, "It is always hard to say goodbye to the se-

Lady Lions avenge loss

When Loogootee's game with Mt. Vernon got cancelled so that Mt. Vernon could play a conference game, Loogootee athletic director, Corey Julian sent out a request for a game on the IHSAA website. Vincennes Lincoln replied, and even though it was a day later than the original cancelled game, Mr. Julian found two umpires and the contract was set for the Vincennes Lincoln Alices to come to Costello Field for a varsity only contest. Vincennes had beaten the Lady Lions in Loogootee's first game of the season, 2-1 in eight innings, so Loogootee was looking for a little revenge.

Isabelle Waggner went the full seven innings for Loogootee, striking out one, walking none, scattering five hits and allowing one run. Waggner goes to 7-2 on the year and moves the team to 17-3. Loogootee started the scoring in the first inning. Sydney Davis reached on a base on balls and scored on Adie Nolley's deep home run to left field to put the Lady Lions up 2-0 after one complete.

Vincennes would put their run up in the third inning, as a two out double to Haynes and a single to Blume plated the run. Loogootee added their insurance run in the fifth inning. Sydney Davis laced a two out single to center field and Tyanna Graber roped a single to left center field that saw Davis race all the way around to score.

It was also Senior Night for the Lady Lions, and they honored three Seniors. Calli Wininger, Sydney Davis and Tyanna Graber. Thank you to our Seniors for their great leadership, these ladies have done great things on the field, but wait until you see what they do in the world.

niors. For Kashten, Madisyn, Leonna, and Hope, their journey began back in the 3rd grade when they first picked up racquets. I am proud of what they have accomplished athletically and academically. Though we fell short athletically they will be the 1st Loogootee Senior Class to be part of 4 Academic All-State Tennis Teams. That is an achievement that will last a lifetime."

Lady Lions beat Shoals

BY GREG CLARK LHS Head Softball Coach

Sydney Davis got the conference win in the circle in a 15-2, five inning affair at Costello Field Monday night. Sydney ran her conference pitching record over four years to an astonishing 23 wins against one loss. Loogootee scored five runs in the first inning, two in the second, five in the third and three in the fifth for their 15 runs. Shoals got their two runs on a Cassidy Witt 2 run home run in the fourth inning, driving in Haley Fischer who had reached on a catcher's interference earlier in the

Asia Crim got things going in the first inning for the Lady Lions, reaching on a single to right field. Sydney Davis followed that up with an inside the park home run. Tyanna Graber doubled, Adie Nolley was hit by a pitch, and then Graber was forced out at third on a shot to third by Makenzie Van-Hoy. Both Kaitlyn Bruner, in to run for Nolley, and VanHoy moved up sixty

Lady Lions claim Blue Chip

BY GREG CLARK

LHS Head Softball Coach

Loogootee laid claim to its fourth Blue Chip Softball Conference Championship in a row Monday night with a 15-2, five-inning win over the Shoals Lady JugRox. Loogootee went undefeated in the conference, winning all six games they played.

The Lady Lions outscored their opponents in the conference, 60 to 4. Sydney Davis finished up a remarkable career in the circle for Loogootee, going 23-1 during her 4 years as a Lady

Davis, Tyanna Graber, and Calli Wininger, the seniors for the Lady Lions, all played major roles in Loogootee claiming the four conference titles.

feet on a wild pitch and both scored on the Calli Wininger single up the middle. Wininger would score on a Grace Lingenfelter sacrifice fly to center.

The second inning saw Sydney Davis lead off with a single, Tyanna Graber would single and Adie Nolley would hit into a fielder's choice to third base, where the Lady Rox would get Hannah Harshaw, in to run for Davis, out at the plate. Makenzie VanHoy and Calli Wininger would both single, with Wininger driving in Graber for Loogootee's sixth run of the game. A sacrifice fly from Jaelyn Walker would score Kaitlyn Bruner, again in to run for Nolley.

Third inning action included a leadoff home run by Grace Lingenfelter, a walk to Crim, a single by Davis, a 3 run home run by Tyanna Graber and another run for Kaitlyn Bruner, scoring on a single by Calli Wininger.

In the Loogootee fourth inning, Maria Chestnut lead off with a double, and scored on the Tyanna Graber cycle completing triple. Graber scored on Makenzie VanHoy's double and Van-Hoy scored as Kaitlyn Bruner reached on an error.

Lady Vikings

BY GREG CLARK

LHS Head Softball Coach

Loogootee's Asia Crim was hit by the fourth pitch of the game by Barr-Reeve hurler Corbin, and the Lady Lions never looked back on their way to a 5 inning, 10-0 win over the home standing Lady Vikings of Barr-Reeve High School.

However, after the sacrifice bunt by Sydney Davis, Barr-Reeve was looking for its second out of the inning when Asia Crim strayed too far from second base and was almost tagged out going to third, but the throw sailed high, Crim was safe, the game went on, mostly going Loogootee's way.

Loogootee scored two times in the first inning, Crim scoring on Adie Nolley's groundout to the short stop, Hannah Graber, and Tyanna Graber scored, after reaching on a walk, on a wild pitch.

Calli Wininger walked to lead off the second inning for the Lady Lions and scored on a double by Grace Lingenfelter. In the third, Loogootee added another run, to make it 4-0, on an Adie Nolley line shot that just cleared the centerfield fence.

The big inning for Loogootee came in the fourth, as they pushed six runs across the plate. Calli Wininger lead off with a walk, Jaelyn Walker singled, Isabelle Waggner's grounder forced Walker out at second and left Loogootee with first and third and one out.

After a strike out for the Lady Lions second out of the inning, Asia Crim Doubled home Wininger and Waggner. Sydney Davis singled home Crim, Tyanna Graber doubled home Kaitlyn Bruner, who was in to run for Davis, and then Adie Nolley popped her second home run of the day, to cap Loogootee's run total at ten.

Hannah Graber and T. Stoll both had singles for the Lady Vikings.

DCH Foundation recognizes 2019 Health Careers Scholarship recipients

Daviess Community Hospital Foundation held the 2019 Health Career Scholarship Award Reception on Sunday, May 19 for scholarship recipients. Recipients, special guests, hospital personnel, and Foundation board members attended the reception in the DCH Education Center. Ten area students were recognized for their academic accomplishments and awarded scholarships totaling \$10,000 from the Health Careers Scholarship Fund. The Daviess Community Hospital Foundation also awards one nursing student \$500 from the Helen Arthur Memorial Scholarship for Nursing. Since the beginning of the scholarship program, 152 recipients have received \$173,850 in Health Career Scholarship awards from the DCH Foundation. Students from Daviess, Martin, and Pike Counties attending accredited educational institutions pursuing health care fields of study are eligible to apply.

One student received a second year Health Careers Scholarship award of \$1,000 from the DCH Foundation:

Natalie Schultheis has been awarded a \$1,000 scholarship from the Daviess Community Hospital Foundation for the second consecutive year. Natalie is the daughter of Jody and Rhonda Schultheis. She is a member of the 2018 graduating class at Barr-Reeve High School. Natalie continues to pursue the field of nursing at Purdue University.

Nine students were first year recipients of the Health Careers Scholarship awards of \$1,000 from the DCH Foundation:

Paloma Atilano has been awarded a \$1,000 scholarship from the Daviess Community Hospital Foundation. Paloma is the daughter of Maria Ortiz and Carlos Atilano. She is a member of the 2019 graduating class at Washington Catholic High School. Paloma intends to pursue the field of Healthcare & Business at Butler University.

Elias Becerra has been awarded a \$1,000 scholarship from the Daviess Community Hospital Foundation. Elias is the son of Ana Becerra and Leopoldo Becerra. He is a member of the 2019 graduating class at Washington High School. Elias intends to pursue the field of biology at Indiana University.

Hannah Emmons Freyberger has been awarded a \$1,000 scholarship from the Daviess Community Hospital Foundation. Hannah is the daughter of Randal and Barbara Emmons. She is a member of the 2013 graduating class at Washington Catholic High School. Hannah continues to pursue the field of occupational therapy at the University of Southern Indiana.

Jenna Gray has been awarded a \$1,000 scholarship from the Daviess Community Hospital Foundation. Jenna is the daughter of Shawn and Kelly Gray. She is a member of the 2019 graduating class at Washington High School. Jenna intends to pursue the field of speech language pathology at Indiana State University.

Marina Lents has been awarded a \$1,000 scholarship from the Daviess Community Hospital Foundation. Marina is the daughter of Kelly and Michelle Lents. She is a member of the 2018 graduating class at Loogootee High School. Marina continues to pursue the field of nursing at Indiana University with plans to become a Nurse Practitioner.

Elizabeth Perkins has been awarded a \$1,000 scholarship from the Daviess Community Hospital Foundation. Elizabeth is the daughter of Rick and Ann

Perkins. She is a member of the 2014 graduating class at Washington Catholic High School. Elizabeth continues to pursue the field of athletic training/physical therapy at the University of Evansville.

Carter Shaw has been awarded a \$1,000 scholarship from the Daviess Community Hospital Foundation. Carter is the son of Kelly and Jennifer Shaw. He is a member of the 2019 graduating class at North Knox High School. Carter intends to pursue the field of biology/pre-med at Indiana State University.

Abigail Walker has been awarded a \$1,000 scholarship from the Daviess Community Hospital Foundation. Abigail is the daughter of Dr. Michael and Julie Walker. She is a member of the 2019 graduating class at Washington High School. Abigail intends to pursue the field of chemistry at Indiana University.

Katherine Healy Wininger has been awarded a \$1,000 scholarship from the Daviess Community Hospital Foundation. Katherine is the daughter of Mike and Lynn Healy. She is a member of the 2002 graduating class at Barr-Reeve

High School. Katherine continues to pursue a nurse practitioner's degree at Western Governor's University.

Kaylee Wagler has been awarded a \$500 Helen Arthur Memorial Scholarship from the Daviess Community Hospital Foundation. Kaylee is the daughter of Tory Schulte and Kerry Wagler and is a member of the 2017 graduating class at North Daviess High School. Kaylee is currently a student at the University of Evansville pursuing the field of nursing.

The Helen Arthur Memorial Scholarship Award honors Helen Arthur, a local resident who was unable to fulfill her desire to become a nurse after contracting tuberculosis. The scholarship recognizes the women of Omega Alpha Chi, a local homemakers group, who in 1954 established and named a Helen Arthur Memorial Educational Loan Fund for students pursuing medical careers. In 2006, the group gifted the balance of the fund to the DCH Foundation to support the scholarship program.

Commercialization Forum held at Purdue@WestGate The first Battery Innovation Center

Wednesday, May 22, 2019

The first Battery Innovation Center Commercialization Forum was hosted by Purdue@Westgate on May 7 at WestGate Academy.

The BIC Forum brings together economic development officials, startup founders, engineers and tech leaders in the battery industry from across the nation to collaborate toward accelerating commercialization of leading-edge battery technology.

"We want to learn more about our clients to understand what hurdles startups and companies are facing in their different phases and which resources would best help them move forward," Ashley Gordon, advanced battery manufacturing team manager at BIC said in her opening remarks.

During the session, attendees identified and discussed the top challenges facing battery startups, including talent pipeline, investment resources, intellectual property delineation, grant translation and networking and marketing support.

Attendees also took advantage of their diverse perspectives and expertise to discuss their approaches, concerns and interests in further growing and developing the battery technology industry.

"BIC and other tech hubs have resources and connections that early-stage startups are constantly seeking. We need to better use networking events to connect with other startups, to identify opportunities for synergies, and to harness the collective problem-solving skills that startups can best bring to bear," said Ted Seo, director of research and development at Volexion.

Ben Wrightsman, president and CEO of the Battery Innovation Center, addressed the potential benefits available to startups joining the BIC-WestGate community in Southern Indiana.

"The BIC team has been working with startups and battery companies to make connections and relationships with end users. There are over a hundred global firms working with us today and one of BIC's main focuses is to expand our network and provide collaboration opportunity," Wrightsman said.

The mission of BIC is to promote advanced learning and education in the energy sector as well as to promote the rapid development, testing, and commercialization of safe, reliable and lightweight energy storage systems for commercial and defense organizations.

"WestGate is home to a potentially powerful combination of assets, including the BIC, Purdue Foundry, Indiana University IP Law Clinic, etc. Plus, we bus startups to Purdue to work with researchers and laboratories," said Jason Salstrom, director of Purdue@WestGate. "By innovating together, we will help these companies move faster."

For more information about programs and events at Purdue@WestGate, visit WestGate Technology Hub.

The Battery Innovation Center is a unique public-private partnership and not-for-profit organization that incorporates leadership from commercial enterprises, government organizations, and world-class universities to focus on rapid development, testing, and commercialization of safe, reliable, and lightweight energy storage systems for commercial and defense organizations. Located near NSWC Crane, the BIC provides both a virtual collaborative network of capabilities needed for development of next generation energy storage solutions as well as a state-ofthe-art \$15.6 million energy research lab and testing facility.
