

Terms and Conditions

Booking your pets stay	
1	A contract will be deemed active once a booking has been received via telephone or email. A hutch will be secured for your pet(s). On receipt of your booking, an invoice will be issued, with details of the payment. The invoice is confirmation of a successful booking.
2	Payment must be received in full prior to the start of your pet(s) stay. Payment can be in cash or bank transfer. Unfortunately, we are unable to accept cheques.
3	Deposits may be requested during peak times to secure your booking. This will account to a maximum of 10% of the booking, and must be paid 7 days prior to the arrival. If a deposit is payable, this will be clearly detailed on the invoice.
4	We do not charge cancellation fees, however, during peak times, if a 10% deposit has been made, this will be non-refundable if the cancellation is within 7 days of the booking arrival date.

Arrival and Collection	
1	Being prompt for drop off and pick up times (by appointment only) is much appreciated. Drop off and collection times are strictly between 7am – 8pm and our boarding accommodation is closed after 8pm. We understand that things cannot always go to plan and if you are running late for any reason please telephone to let us know, and we will attempt to accommodate.
2	If your pet needs to be separated from its companion due to fighting, you will liable for the boarding fee of the second hutch, payable on return. We will endeavour to keep companions together but if fighting and injuries occur we have to put your pet's safety and wellbeing first. We will notify you of this situation should it arise.
3	If your pet is already boarding with us, and you wish to collect your pet earlier than the date originally provided, you may still be liable for the full boarding costs. If you wish to extend their stay and we can accommodate the extra period, payment will be required on your return.
4	If you do not collect your pet on the agreed day without prior arrangement then you will be charged for any extra day at £20 per day.
5	We request that your animals arrive in a suitable pet carrier, and this is to remain with Burrows Bunny Boarding during the stay, in case your pet requires any medical treatment.

During your pets stay	
1	Your pet will either be housed in one of our outdoor hutches, or indoor cages, depending on your booking.
2	Fresh food, water and bedding will be provided daily, including fresh vegetables and access to a run for at least 1 hour per day.

If this does happen, we will contact you immediately to discuss your wishes should your pet pass away in our care. We accept no liability in the unlikely event that this may happen. You will be liable for any veterinary fees incurred, including cremation.
