

Cement Lugana DOP

APPELLATION: Lugana DOP / Municipality:
Pozzolengo

GRAPE(S): Turbiana (Trebbiano di Lugana)

This Lugana is special. With much time spent in a handpicked, artisan-crafted cement, you get all the pleasantries of the entry Lugana (above) with more depth and mouthfeel. Aromas of bread crust, hazelnut, and mature yellow stone fruit lead the nose. The elegant palate reflects the nose, offering ripe yellow apple, mature pear, and bitter almond. Tangy acidity brightens the rich flavors. As always, native yeast and organic farming.
