

## Chianti Poggio Alla Luna

A deliciously approachable blend of Sangiovese and Merlot fermented in stainless steel tanks for a period of 6 to 8 months, to preserve the fruity taste and young wine flavors. A fabulous everyday wine; deep purple in color with hints of magenta. Typical aromas of Sangiovese: red strawberry fruits, violet and Morello cherry fill the nose. Poggio Alla Luna fills your mouth with lush fruits and good acidity; very well balanced. A fundamental expression of the terroir of the Cerreto Guidi's vineyard.

90% Sangiovese, 10% Merlot Stainless steel
