

Health and safety policy

<p>This is the statement of general policy and arrangements for:</p>		<p><i>MPT ELECTRICAL SERVICES</i></p>
<p>MICHAEL THOMPSON</p>		<p>has overall and final responsibility for health and safety</p>
<p>MICHAEL THOMPSON</p>		<p>has day-to-day responsibility for ensuring this policy is put into practice.</p>
<p>Statement of general policy</p>	<p>Responsibility of: Name/Title</p>	<p>Action/Arrangements (What are you going to do?)</p>
<p>Prevent accidents and cases of work-related ill health (<i>physical and mental</i>) by managing the health and safety risks in the workplace</p>	<p>MICHAEL THOMPSON</p>	<p><i>All staff will work safely and adhere to the health and safety guidelines set out by the HSE, where applicable, or to the training they have received.</i></p>
<p>Provide clear instructions and information, and adequate training, to ensure employees are competent to do their work</p>	<p>MICHAEL THOMPSON</p>	<p><i>All staff will be adequately trained for the tasks that they are undertaking. Any training required will be identified and implemented appropriately so that safe working practices are followed. All staff will follow relevant manufacturers instructions and guidance provided from their supervisors.</i></p>
<p>Engage and consult with employees on day-to-day health and safety conditions</p>	<p>MICHAEL THOMPSON</p>	<p><i>All members of staff shall communicate, where necessary, any health and safety conditions relevant to their work and report them without prejudice to ensure that working conditions are appropriate.</i></p>
<p>Implement emergency procedures – evacuation in case of fire or another significant incident. You can find help with your fire risk assessment at: https://www.gov.uk/workplace-firesafety-your-responsibilities</p>	<p>MICHAEL THOMPSON</p>	<p><i>Where necessary, on sites requiring MPT Electrical Services to be a principal contractor, a thorough emergency procedure will be set out and adhered to in line with the HSE guidance. In all other circumstances, normal emergency procedures will be followed when</i></p>

		<i>working on private premises i.e. calling the emergency services for fire, ambulance, and police.</i>
Maintain safe and healthy working conditions, provide, and maintain plant, equipment, and machinery, and ensure safe storage/use of substances	MICHAEL THOMPSON	<i>At all times, the working conditions will be maintained with health and safety in mind. Calibration of plant and equipment will be conducted as per the manufacturer's instructions or relevant governing bodies guidance. Where materials are to be stored, these will be done so in a safe manner and to prevent danger, further relevant guidance of the manufacturer or HSE will be pursued if the materials contain hazardous substances.</i>
