

We want to thank you for your continued support, interest, and trust in **Liquid Gold Gifts** and **FBMP LLC**, an approved vendor of the California Department of Corrections and Rehabilitation (CDCR). Your loyalty means everything to us, and as a small, underdog business, every order, suggestion, and kind word fuels our commitment to serve you better.

Located just outside New Orleans in Metairie, Louisiana, Liquid Gold Gifts is surrounded by the vibrant spiritual roots of the city—from the candle-lit altars of St. Roch Chapel to the history-rich streets of Congo Square. Being in this unique environment continuously inspires the care, passion and power we pour into every product we offer.

Thanks to your support and thoughtful feedback, our business has grown—and with that growth comes a deeper responsibility to provide **high-quality, spiritually aligned, cost-effective products** for you and your loved ones. Whether it's through **bundle deals, free shipping** on select items or **exclusive promo codes** via our websites—www.liquidgoldgifts.com and www.cdcrapproved.com—we're doing everything we can to make your devotion more accessible.

As of **January 2025**, we have updated our product selection to meet **CDCR compliance requirements**, including size and color regulations. We have also added **more than two dozen new books and products** to help meet a broader range of spiritual and religious needs.

Included with this letter is our **most recent printed catalog**—eight pages of carefully selected, meaningful offerings. It may not be a massive catalog, but every product in it has been curated with intention, devotion, and respect for your journey.

Updated catalog pages will be posted **regularly and for free** on both of our websites, so your loved ones can download them anytime.

Please note that **pricing in our printed catalog differs slightly from online pricing**. The catalog prices are designed for those paying with facility checks without outside assistance. If your loved ones are able to place orders online, they will have access to **promo codes, discounts and other online-only benefits**.

Doña Enriqueta Romero, deeply transformed us. After heartfelt conversations with her and other faithful devotees in the streets of Tepito, we have decided to make a significant change:

At Liquid Gold Gifts, we will no longer charge to deliver prayers to the Santa Muerte altar during Day of the Dead. Devotees are invited to send their prayers to us by **US Mail** starting October 1, 2025 and we will personally deliver them to the altar **free of charge** during Dia de los Muertos events, November 1, 2025 through November 3, 2025.

Just as **Liquid Gold Gifts** continues to evolve and improve, **so do I—as a person and the owner of this humble, faith-driven business**. Our mission is rooted in service, devotion, and providing you with the tools you need to worship and connect.

And remember—**our phone line is always open for you, seven days a week**. Whether you have questions or want to check an order, don't hesitate to call us at **504-399-8866**. We are here for you!

Thank you again for being part of our journey. May your path be blessed and your spirit stay strong.

With gratitude, devotion and utmost respect,

SPIRITUAL ATTACKS DURING INCARCERATION WHAT THEY ARE. HOW THEY HAPPEN. HOW TO PROTECT YOURSELF.

In life, not all battles are fought in the open. Some are unseen—quiet struggles that affect the heart, mind, and spirit. These are spiritual attacks—periods when it feels as though your energy, peace, or

blessings are under siege.

A spiritual attack can take many forms: sudden streaks of misfortune, persistent negative thoughts, unexplained exhaustion, tension in relation-

ships, or even recurring dreams that leave you unsettled. Across cultures and faith traditions, these moments are recognized as times when unseen forces—be they envy, ill intentions, or malevolent spirits—seek to disturb a person's spiritual balance.

How to Recognize a Spiritual Attack

Emotional heaviness without clear cause

Unexplained obstacles in work, finances, or relationships

Recurring patterns of loss, fear, or anxiety

Disturbed rest or vivid, troubling dreams

Responding with Faith and Protection
Spiritual defense begins with strengthening your connection to your beliefs and spiritual practices. Wheth-

er through prayer, scripture, meditation, or ritual, the goal is to anchor yourself in the divine protection you trust.

Many turn to protective tools and sacred items—such as black copal for purification, gold copal for prosperity, blessed candles, protective jewelry, and prayer cards—to help cleanse, guard, and renew their spiritual energy. These are not simply objects; they are reminders of faith, conduits for intention.

At Liquid Gold Gifts, we know the path of faith is not without trials. We offer tools, devotional items, and resources to help you shield your spirit & restore your peace. Because while attacks may come, your spirit—rooted in faith—can remain unshaken.

ALL-NATURAL SPIRITUAL HERBS

Black Copal is prized for its power to banish negativity, dissolve spiritual blockages, and shield against malevolent forces. Liquid Gold Gifts offers **Gold Copal**, with its warm, uplifting energy, draws blessings, prosperity, and divine favor.

Close your eyes. Inhale deeply—hold it—then exhale slowly. Let the weight of the day fall away. You are here. You are safe. You are whole. Let each breath ground you in the present. Let every thought pass like a cloud in the sky. There's nothing to do right now but be.

FAITH & GENEROSITY: A LIGHT THAT CAN'T BE DIMINISHED.

In the most challenging circumstances, faith has a way of planting seeds that grow in unexpected places.

Faith is more than prayer; it is the quiet courage to believe in better days, to treat others with kindness, and to give of yourself even when you seem to have little to give.

Generosity is one of the most powerful expressions of faith — easy to give when we have abundance, but the truest form is when it comes from sacrifice. Within the walls of a correctional facility, generosity can look different—sharing food from your commissary with someone

who is struggling, offering a kind word to someone in pain, giving your time to listen to another's story, or sharing spiritual items and encouragement with those who need it.

For many, giving is a reflection of their relationship with the divine. It is a way of saying, I trust that there will always be enough. This is not blind optimism—it is the recognition that every act of kindness is a seed planted, and those seeds have a way of multiplying in ways we cannot always see.

We are all called to remember: generosity is not measured by the size of the gift, but by the love with which it is given.

"THE TIES THAT BIND" FAMILY

At Liquid Gold Gifts, we believe family is the foundation of faith, love, and resilience. Whether through blood or chosen bonds, family is the network that holds us together during bright moments and challenges. Each year, I take a spiritual sabbatical to Mexico during Día de los Muertos (Day of the Dead). For me, it's an opportunity to spend time with my "non-blood but true blood" Mexican family in Mexico City and Coatzacoalcos—loved ones who have become as close as kin.

For those who are incarcerated, maintaining family ties is crucial. Letters, phone calls, and small acts of connection remind our loved ones that they are not forgotten—that the bond of family transcends distance, bars, and circumstance. At Liquid Gold Gifts, we are honored to provide resources that help bridge the gap, allowing incarcerated individuals and their families to stay connected. In the end, family—by blood or by choice—sustains us.

Clear your heart. Clear your mind. Sometimes, the path we need to take is the one we least want to walk. But peace often hides behind discomfort. Let go of the noise, breathe through the fear, and trust that doing the hard thing now will make room for healing, clarity, and growth later. You've got this—step forward with courage.

At Liquid Gold Gifts, we believe in one simple truth: you should be able to worship how you worship. Faith is deeply personal, and whether your path is guided by the saints, the spirit of Santa Muerte, the wisdom of the tarot, the blessings of Orisha's or the Nine virtues, we are here to support your journey.

Every year, we take a sacred sabbatical to Tepito, Mexico, where we visit the Santa Muerte altar. Our altar calls allow us to carry your prayers to this sacred space, lighting candles, offer-

ing petitions, and working with Doña Enriqueta Romero, the matriarch of the altar, to ensure that your intentions are blessed and heard.

In the spring of 2024, our journey took us to the heart of Catholicism—the Vatican and Rome—where we walked through centuries of history, visited holy sites,

and deepened our understanding of faith's many forms.

Our home base in New Orleans, Louisiana, strengthens this commitment. Known for its deep spiritual roots—voodoo, Catholicism, folk magic, and a unique blend of traditions—New Orleans is a place where faith and culture intertwine. It is from this vibrant city that we curate our selection, ensuring that no matter what path you walk, you have the tools you need to honor it.

We are honored to be a part of your journey and look forward to continuing to serve you.

With faith, & appreciation,

NATE
