Sibling Discount

The first child in a family pays full tuition. Any additional child in a family will receive a 10% sibling discount.

Early Registration Discount

Early registration deadline is seven (7) months before the student's preferred start date. The student will receive a 10% discount if he/she registers before the registration deadline.

Keystone Math Scholarship

Keystone is pleased to recognize the academic achievements of our students upon admission to the school. Upon request, students will be able to write a mathematics test. Eligible scholarship amounts vary depending on the student's test score. Please contact us for further details.

Refund Policy

Tuition, homestay/residence, health insurance, custodianship fees for international students must be paid in full upon acceptance and are non-refundable. In the unlikely event that the Canadian government does not grant a study permit, all fees except application fees will be refunded.
