THE OFFICIAL QUARTERLY NEWSLETTER OF  
WAGCBMI

## Second Quarter Recap

WRITTEN BY PASTOR RACHEL O.S. EDMUND

The second quarter of 2021 began with a baptism that saw 38 souls giving their lives to Christ and some recommitting themselves to the call of God on their lives!

We began the year with out customary prayer and fasting. We hosted Apostles Vernon and Vivian Duncan for our 7 Days of Glory which set the tone for every warrior's life in 2021. We had a magnificent time learning about the different aspects of God's glory and look forward to experiencing the glory of God in its fullness this year.

*The Point of Impact*, opened in February 2021 in Point Fortin and is WAGCBMI's 9th location. WAGCBMI is continuing to fulfil God's mandate and commission of preaching the gospel into all the world.

Several conferences were held to continue to equip both leaders and disciples for ministry including our Ministers, Leaders and Workers Conference.

*The road the righteous travel is like the sunrise, getting brighter and brighter until daylight has come. Prov 4:18 GNT*

## Ministry Insights

Bishop James always says that "we promote what we want to see". Our ministry is vibrant and teeming with gifted, anointed ministers and individuals which is why he always advocates for good, strong, people-centred leadership. He says "To be good leaders we must have a heart for the people".

Here is a look at the ministries and ministry gifts that you can be a part of when you become a disciple at Warriors Assembly.

Led and coordinated by Minister Malika Mendoza-Francis, Warriors Assembly Youth & Young Adult Ministry, WAYY Ministry, has consistently set the bar for our youth to understand and apply the teachings on the love of Christ to their everyday lives.

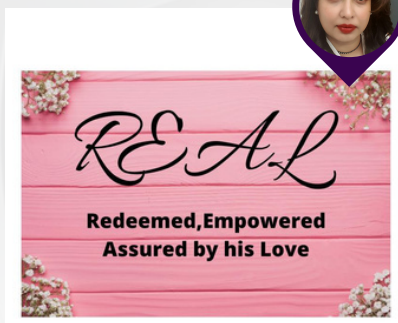

### Radio Ministry

## A Voice

In keeping with the first tenet of the vision and mandate of God for Warriors Assembly Growing Church Breakthrough Ministries International (WAGCBMI) the Bishop launched out into the deep with his Facebook Live Program **A Voice** where he cries out for justice and equality for those who have no voice or whose voices are not being heard.

**A Voice** will also bring political understanding as it relates to governance and representation in our society.

The program is hosted by our very own Minister Wendy H. Lewis every 3rd Thursday of the month at 9 p.m.

You can use the link here to follow the page and log on to the program:

## Ministry Insights

This year, at the La Romain location, we began translating our sermons into Spanish. Additionally, our worship team is also learning to worship in Spanish. While those gestures made those present feel welcomed, our Bishop, Dr. Dexter James, has realized that Venezuelans are looking for work and need a lot to live comfortably here. But they also have basic needs that the church can attend to immediately. Our humanitarian department is always at hand to distribute food hampers and this time we get to serve the community a little differently. So it is our pleasure to announce our initiative to teach English to both Venezuelan adults and children in the Rambert Village area. This initiative will start within the second quarter of 2021 and we look forward to the opportunity to share the hope, peace and confidence that God has given us in His word.

These are some of the things that you can look forward to within the next quarter:

**3 Day Corporate Fast** - Corporate fasting for the growth of the ministry, finances for the ministry, debt free completion of Evangelism HQ, protection of leadership and their families etc.

**School of Ministry** - Teachings from the Bishop on various aspects of leadership and ministry.

**School of the Prophets** - Teachings from the Bishop on Prophetic Ministry.

**School of Protocol** - Teachings by Minister Wendy Lewis on church protocol, etiquette and other relevant subject matter.

**Men's Conference 2021** - Men Hurt Too is a 2-day conference for men by the Bishop to help men to become better men rather than bitter ones.

**School of Prayer** - Teachings by Prophetess Gillian Maingot.

**Prayer Station of Hope** - An island wide roving prayer station where you can access prayer and change your life and destiny!

**Tent of Hope** - Our country wide roving evangelistic ministry (crusades under the tent).

**Moderators and Worship Leaders Training** - Training for by Minister Wendy Lewis.

**Covenant Wealth Explosion** - An annual conference that gives biblically sound financial principles and tools to thrive and live as God expects.

**Pastor Appreciation Services** - Services designed to show appreciation to our leaders.

## International Affiliates and Apostolic Coverings

Dr. John Avanzini of John Avanzini Ministries located in Corpus Christi Texas, USA, was born in Surinam, South America in 1936. He preaches the message of financial prosperity and teaches that God wants believers to be wealthy. He speaks in conferences and seminars worldwide about biblical economics.

Since making the spiritual connection, Bishop James and Dr. Avanzini have developed a closely remarkable kingdom relationship. Dr. Avanzini had these words to say concerning the ministry and his thoughts on the connection.

*"Apostle Dexter James has impressed me since my first conversation with him as we planned for my visit to Trinidad. Over a quarter of a century ago, God brought me to Trinidad and we had explosive meetings. However, I have never returned until Apostle James asked me because of the lack of proper respect for my ministry and the compensation of my ministry. With Apostle Dexter, I immediately felt my spirits lifted and felt led of the Lord to venture once again to Trinidad.*

*How refreshing it was to find Apostle Dexter more interested in the well-being and spiritual advancement of his people than the finances. I literally had to coax him to share with me some of the finances. Apostle Dexter is going to be a leading voice not only in Trinidad and the surrounding nations but around the world. The spirit I feel from him is like the spirit I feel from Arch Bishop Ayo Oritsejafar from Warry Nigeria. His voice bloomed across the entire world and even now is still active.*

*However, as he retires, there is a place that's going to open and I believe it belongs to Apostle Dexter. By the way, whether he is called Apostle or PASTOR profit Bishop that has nothing to do with who he is. His anointing pushes him to the top of any gathering of his peers. I have some personal words for Apostle Dexter that I can only speak personally to him and as this Covid pandemic passes we will have that time together." Brother John Avanzini*

Prophetess Yolanda Henry is the leader of Mt. Zion Teaching and Deliverance Ministry located in the sister isle (Golden Lane), Tobago. Since making the spiritual connection, Bishop James and Dr. Avanzini have developed a closely remarkable kingdom relationship. Dr. Avanzini had these words to say concerning the ministry and his thoughts on the connection.

*"Mt Zion Teaching and Deliverance Ministry has been under the leadership of Bishop Dr. Dexter James for the past 4 years. The relationship with the Bishop has afforded us many blessings through his timely visitations, impartations and ministry.*

*We have received great ministry from mighty men and women of God Internationally due to his connections. Moreover, the ministry has seen an increase in the Ministerial team through ordination ceremonies conducted by the Bishop, starting with myself as the leader and many other leaders, who have been functioning effectively in the ministry.*

*This relationship also allowed for invitations to local and international preaching engagements e.g Women's conference in 2021, a visit to Columbia in 2019, and access to leadership training eg. School of Ministry, for both functioning and upcoming leaders. Consequently, M.Z.T.& D.M has gained much influence through this divine connection. Although we are based in Tobago we always feel closely knitted to our Warriors Assembly family.*

*Therefore, I must say a special thank you to our Bishop, Apostle Dr. Dexter James for his dedication, mentorship and the release of financial grace to Mt. Zion Teaching and Deliverance Ministry. Also, a special thank you to his devoted team for their constant love and support." ~ Prophetess Yolanda Henry*

## Making Disciples

Accepting Christ is a big step in the life of the believer and it is one of the most satisfying and uplifting experiences that one can have. Knowing that Jesus loves us and can renew our joy and peace through his blood accepting His salvation through baptism is one of the biggest leaps of faith.

We thank God for the XXX souls that He has drawn into the ministry to love and care for. We pray that they will continue their individual journeys of faith and walk in their purpose.

“

*Matt 28:19,20*

*Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:*

*Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen.*

## The Call To Service

Evangelist Akil Jerome and his wife, Minister Mcquida Jerome, were elevated and installed as the Pastors of our 9th location, **Point of Impact**, Point Fortin in February 2021. We thank God for them and we continue to pray for their every success in their new assignment.

"I've had so many experiences in ministry that I can write a book, but I will just put a few of my experiences in a note. Ministry for me is a joy because I have a genuine passion for God and His people. It has been a privilege to see my life transform and I look forward to more transformation as I grow as a minister of the gospel. I have worked with some extraordinary people who have been instrumental in growing many areas of life. As a pastor now, my goal is to do the same for those in my care, to uplift them and help them to walk in their purpose." ~ Pastor Akil Jerome

## A Look Back

The second quarter of 2021 began with the Bishop heeding the word of God to him to have four (4) days of healing: emotional, spiritual, physical and family healing as a large proportion of the membership required healing in these areas.

The 21 Blessings Anointing Services continued with the 14th Blessing being the first released for the second quarter.

The 3 day Faith Clinic held at our Princes Town location, Restoration City greatly impacted the membership and strengthened their resolve to remain in position in faith during this season of elevation, expansion and enlargement.

Boldness Conference, Big Faith Sunday, Gospel Explosion, 21 Blessings Anointing Services, Becoming Money Wise Conference, Youth Miracle and Healing Services and 7 days of Glory!

This year, at the La Romain location, we began translating our sermons into Spanish. Additionally, our worship team is also learning to worship in Spanish. While those gestures made those present feel welcome, our Bishop, Dr. Dexter James, has realized that Venezuelans are looking for work and need a lot to live comfortably here. ## Where is your Faith!

WRITTEN BY PASTOR RACHEL O.S. EDMUND

There are many scriptures on the subject of faith in the bible. There are also many expressions of unequivocal faith as well as a total lack of faith. In our recent Faith Clinic, Bishop sought to help us as maturing believers to increase and deepen our faith so that we may not only be able to survive in this season but thrive.

Heb 11:1 defines faith as: *"the substance of things hoped for, the evidence of things not seen."* Faith is a spiritual transaction which is the reason that Paul said that it is the evidence of things not seen because for faith to work it must be demonstrated of things that can only be seen in the supernatural realm.

Bishop James said that "faith sees" because it sees that which is invisible to the natural eyes. Spiritual eyes are used to see that which faith does.

When I think about faith I often think on those biblical giants who possessed great faith and I also think of those who had very little faith. Jesus' biggest issue with his disciples was their lack of faith or unbelief and he commended those who stepped out in faith saying things to them like *"your faith has made you whole."*

Bishop James always tells us that *"faith that is not tested cannot be trusted."* This means that we must endure and pass the tests of our faith if we say that we are believers. I often find myself asking "where is your faith girl?" You see, I too sometimes doubt but we cannot live in doubt if we say that we are believers and that Christ lives in us. The two are contradictory.

I can say that my faith was not always where it is now and I am glad that it is not where it used to be. I had mustard seed faith (Matt 7:20) and even then I doubted my abilities and rightly so because we often trust our own abilities rather than God's ability.

God helped me to work through many personal insecurities and helped me to trust His ability to do things through me and for me. He helped me to see myself through His eyes. I am still not where I want to be in terms of my level of faith but I am here to encourage you in your faith that you will get there one day. It is a journey of love and trust.

My goal is to become like Paul who was fully persuaded of God's love for him. He had full faith in God's ability to do what He said He would do. (Rom 8:38-39, Rom 4:21). There are many avenues to victory but there is only one vehicle that will get you there and that is FAITH!

### When and if you come to a place where you lack faith for a thing what should you do?

The first thing that you should do is get into the word because you need the word and a word to strengthen your faith and to have faith for the thing. Faith comes by hearing the WORD (Rom 10:17). Find scriptures on faith to build your faith.

Next, confess the word (Rom 10:9-10, Rom 4:17, Is 55:11, Num 23:9, Heb 10:23). Confessing the word is confessing God because He is His word!

Next, find like minded people to strengthen you. Ps 42:7, Prov 27:17, Ps 1:1. People who have similar values, visions and goals are able to understand your struggles and will be able to give good counsel.

Lastly, be courageous. Whenever God spoke to someone he would tell them to "be of good courage" so that they would step out in faith and others could see God working in and through them. Be brave, be bold and stand in the truth and in the power of His might! If He be for you who can stand against you?

Dear brethren, I pray that your faith is strengthened and you will be encouraged. I pray that you will be able to move from the level of faith that you are on into a new and deeper dimension of faith. I pray that you will be able to strengthen others as your faith is renewed and deepened.

May your peace and joy be full! Shalom.

## Testimonials

The Overseer and Father of Warriors Assembly Growing Church Breakthrough Ministries International is truly an Apostle and Prophet sent by God to edify and uplift God's people out of bondage. We are truly grateful to him for his continued submission to God and for continuing to speak the words that God wants his people to hear.

In addition to his prophetic and apostolic ministries, the bishop also has a strong ministry of healing and financial deliverance and is known as the Wealth Ambassador wherever he goes.

Below are some testimonials from people who have been touched in one way or another by his ministry.

### Financial Breakthrough testimony

"So I prophesied to one of my leaders recently and told them that I saw them get some money, nothing less than \$ 100,000.00, they got the money. It was not less than it was more than that. They tithe and bless me. But the thing about it, when they brought the money, they said this is the most money they've ever touched in their life.

This person was over 60 years old. What I am trying to say is that it is never too late to touch or experience what you have never touched or experienced when your prophet speaks. God wants you to experience what you have never experienced before; God wants you to touch what you have never touched before! "

### Covid promotion and bonuses testimonial.

"During a conference at Miracle Arena, you stated in the atmosphere to the congregation that" the promotion is coming, your boss will inform you about your promotion in advance and tell you not to tell people before it is confirmed. " He also prophesied "that during COVID there will be no decrease, only increase."

I received both statements in my spirit. My supervisor called me into his office for a one-on-one discussion in which he told me that I was being selected for a promotion, but that I was not to reveal this to anyone before it was confirmed. I received my confirmation letter of my promotion and my annual bonus. So now that is two years in a row that I was promoted during COVID and received my annual bonus that I gave back to the life of my prophet. "

### Debt cancellation testimony

After constantly sowing, believing, praying and declaring about his life:

"Prophet of God when I tell you that we serve a living God ... I am speechless! Tears of joy. I received this email from the education department, they just approved the cancellation of all my student loans. Thank you Jesus!"

### Healing testimony

Hi Bishop I must testify... On Saturday 3rd April 2021 at Prayer Cathedral you made an Altar call for physical healing at first I was reluctant to walk to the altar but then I kept hearing a voice saying to me get up get up you need healing... Upon reaching the altar you asked me what do I need Prayer for I then told you am experiencing a burning in my left breast, you prayed for me and immediately I felt a vast difference.

When I did reach home I was then convinced that am truly healed because usually more so in the night I will literally feel like my breast is on FIRE!! and throughout the day it will cause me a lot of discomfort this have been going on for over a year plus. Since then to now I have not experienced any pain nor burning... So first I must say thank you God for using this true man of God and also thank you Bishop for doing a tremendous job... May God continue to use you.
