GRADING RESULTS

Congratulations to the students who have passed their grading. GBMAI grading is based on their performance (and, of course their attendance) in class. Students are continuously assessed throughout the year. Their skills and ability to comprehend instructions are also noted.

Simon Bakunowicz, 6th grade (red/brown)

Mark Amhaz, 2nd grade (white/red)

Omar Assaad, 1st grade (white/green)

The students were awarded their certificate and sash in November. All grading fees must be settled before the end of December.
