# THE HISTORY OF MARY'S PIZZA

“Celebrating over seventy plus years, Mary’s Pizza has been an established staple of the North Country, proudly serving a variety of homemade pasta dishes & fresh dough pizzas. What started as a vision back in 1947 by Mary herself & husband Camillo Ferrante, has now, even to this day, been a huge favorite amongst our customers, near & far.

We have been featured in both “NH To Do” and “Viva Italia” Magazines, and have been honored by WMUR - TV’S “Viewers Choice” Award of “Best Pizza” over the years, winning #1 twice and always consistently placing in the Top Five in our beautiful state of New Hampshire.

Mary’s prides our self on using the best ingredients sourced from premium vendors, creating all dishes with ultimate quality and putting customer service above all.

Passed on through generations of hard work and dedication, from founders Camillo & Mary, to Tony & Lorraine, to Jim & Maggie and to previous owners Phil & Thera, Mary’s Pizza has thrived. So whether it’s been your second time this week, back visiting for the holidays, or the tourist that finds us, your support and loyalty is what continues to bring this establishment such success.

We thank you immensely and look forward to serving you on your next visit.

Many Thanks Today and Always,

*Mary’s Pizza Familia*
