Our Story

The Tiki was another brainchild of Lake George legend, Charles R. Wood. Wood was an innovator, philanthropist, and all around fun guy. He opened Storytown USA (now Six Flags Great Escape) a Disney-esque theme park in 1954; a full year before Walt himself opened Disneyland. Wood also beat Walt to the punch with his version of Polynesian paradise the The Tiki. Why mention Disney's Polynesian Resort when discussing the Tiki? Because they are the last two themed full service resorts with Polynesian dinner show still operational in the continental United States. Come work with us for a unique summer experience!
