Joy to the world parody

Jeremiah was a prophet- was a friend of the Divine.

He never edited a single word he said, But God helped him to ink his lines

And he always had me write em down twice.

Joy to the world, All the boys and girls now,

Joy to the fishes in the deep blue sea. Joy to you and me.

Boy, tell the world. All my voice unfurls now

Boy tell them visions that they need to see, going to you from me.

If I were to sing to the world, I'll tell you what I'd do

Id throw away the false little gods, end the war, and make peace its up to you...

Boy tell the world

Theyre going to quarrel now

Boy tell them issues that they need to see

Bot its uo and me

You know I'm not courageous

I'd love to have more fire

I'm no high-priced scribe or

Any paid ghost writer

My name's Baruch, the son of Neriah

The main dude it was Jeremiah

Boy, tell the world

Ah, the choice is theirs now

Boy, tell them this is it, believe you me

Boy, it's true indeed

Just the way you are

LAST KISS (LAST NIGHT)

G Em C D
Oh where oh where can my Savior be They took My Lord away from me.
G Em
They've gone ahead and nailed Him onto the wood
C D G
So I can't see my Savior when I need Him most

G Em C D
He was down on His knees in an olive gard'n He had been prayin' very hard
G Em C D
There in the grove – strangers came- A crowd with swords – they mentioned His name
G Em C D
I couldn't stop 'em though I certainly tried I went for the head of some bad guy
G Em C D
But Jesus Christ – He touched him fast- Replaced the ear that I had slashed

When I showed up – they had the Lord on trial There were people standin' all around

I got cornered, and then I denied But somehow Christ found my face with His eyes

At dinner last night He'd looked at me and said
C D
"You'll deny me in just a little while."

I felt so cold to kiss Him off like this- I failed the Lord and I knew that I did

O WHAT A NIGHT parody-

Oh, holy night - Late December 5 or 6 B.C.
Was a special time in history In Bethlehem, oh, holy night
Oh, holy night You know we still don't even know the date
The time of year or month when Jesus came Celebrate it every night

Oh, I, I got a funny feeling that the Lord ain't amused
When we fight about which holidays to use

Oh, holy night It's not timing that's the vital thing
Jesus never changes seasonally - Late December or July

SOLO-(Bbm, Ebm, Bbm, Ebm)

Why raise a fuss about which holy days are better?
Those things are shadows now and Jesus is all that matters
Oh, holy night Put the tinsel on the tree tonight
Read along in Romans 14:5 Celebrate it when you like
The Christmas rush may be over in December
But up in Heaven they'll be praising the Lord forever
Oh, holy night- Oh, holy night

Oh, holy night- Oh, holy night
