F Gm/F F6 Gm/F F6 *
I was thinking when I wrote this- I pray I never go astray.
F6 Gm/F F6 Gm/F F6 *
And when I woke up this morning I thanked God it wasn't Judgment Day.
F Gm/F F6 Gm/F F6, *
His robe was all purple there were people running everywhere,
F Gm/F F6 Gm/F F6, *
trying to run from persecution, you know they didn't even care.

Bb Dm7 F6, *
They say to find 100 barely ever works anytime.
Bb Dm7 F6, Gm/F, F6, Gm/F, F6.
So today I'm gonna praise Him cuz He leaves the 99.

I was thinking when I wrote this I really need to pray and fast.

Cuz life is more eternal and Heaven is meant to last.

War is all around us, my mind says prepare to fight

So if I praise on High I know my battle He will win tonight

Bb Dm7 F6, *
They say to find 100 barely ever works anytime.
Bb Dm7 F6, Gm/F, F6, Gm/F, F6.
So today I'm gonna praise Him cuz He leaves the 99.

Church, let me tell ya somethin' - If you feel you need to pray then pray He opens up the door.

He is the Lion of the army and Judah is ready to roar!

Everybody's got a song we could all sing any day.

And while I sing my song, I'll dance all night and day.

They say to count one zero zero- barely ever works anytime.

So today I'm gonna praise Him cuz He leaves the 99.

They say to count one zero zero- barely ever works anytime.

So today I'm gonna praise Him cuz He leaves the 99.

ACHY breaky heart

You can tell the world, their ways are all absurd. You can make your choice on your own.

Or you can tell your friends, How good the Lord has been

and How you're gonna meet Him at His throne.

You can fill your heart with lots of question marks, you can tell my feet to hit the floor.

Or you can tell my lips to stop with all the quips,

and I won't preach the Word to you no more

He can heal your heart. Your achy breaky heart.

Tell Him all your pain- He'll understand.

And when He heals your heart, your achy breaky heart.

You might just see your Promised Land.

You can tell me John, and Mark and Luke were wrong-

You can fight and fuss with all I say.

But I can tell you this, the Word of God wont miss-

even when the earth will pass away.

Noah was a drunk. Abraham and Lot, Elijah, Moses, David- all had sin.

Jacob and Esau, Samson, Isaac, Paul- Jesus died for me and you and them.

He can heal your heart. Your achy breaky heart.

Tell Him all your pain- He'll understand.

And when He heals your heart, your achy breaky heart.

You might just see your Promised Land.

I'm living in Paradise! Bm, A, Bm, G, Bm A, D

Me and my friends were not living for Jesus- we sinned nearly eve-ry-day

Losing cells that I need by getting high off of weed

Drinking lots of alcohol and never ok

Well 1 night I had this glorious dream, I'm sitting at a banqueting feast

Not the devil or his demons – that's not what I need.

I'm with a Resurrected Savior Who died just for me.

I'm looking fwd to paradise, Heaven is full of His glorious light,

Not too shabby like you see in this life, I'm just a- looking fwd to Paradise.

I heard the Lord look and say to me- you'll hear the same thing again and again

"communion and bread reminds you what I said

when I told you after 3 days I would live again.

Signs will follow those who believe, just ask Me when you're down on your knees.

Not magicians or inventions or Pharisees- it's from the Powerful Creator who set me free"

I'm looking fwd to paradise, Heaven is full of His glorious light,

Not too shabby like you see in this life, I'm just a- looking fwd to Paradise.

G, A, D. G, A, D. G, A, D. G, A, D

Heaven is real and so is my Maker. I'm a believer and not just a faker.

I don't want to stay in the in the world that's here-

Good God Almighty I know that You're near cause I'm

Looking fwd to Paradise, I'm gonna live in Heaven and see all Your light.

It's not too shabby like I've seen in this life- Im just a –looking fwd to Paradise!

The devil went down to the Jordan He was looking for a **soul** to steal

he was in a bind 'cause he was way behind- he was **trying** to make a deal

he came across the Son of Man- saw Him in the desert and praying to God

Dm, A, C, Dm....

the devil jumped upon a hickory stump -Said, "Jesus, it sure is hot!"

"I guess you wouldn't show it, but I can tell you're craving food

And I'm real scared this desert air might get the best of You

Now You say a pretty good prayer boy but give the devil his due

Dm, A, C, Dm...

If you're God's son, turn these stones to bread and then I'll butter it for you."

The Lord said, "I am hungry, but that would be a sin-

(octaves- Bb, B, C, C#)

cause it ain't by bread man's gonna be fed- But by the Word God's given him."

Dm

John the Baptist washed the Lord and that's where it all starts

Cause Jesus left the Jordan and the devil hit Him hard

And if He wins we get to walk on Heaven's streets of gold

Jump off of this ole mountain top as I watch from down below

I'm sure You know that God will send His angels to assist
