Sunday morning, rain is falling, don't let condemnation win.

Flaws are shrouding us in moments unforgettable, I twist the Word to fit the mood I'm in.

But things just get so crazy, living life gets hard to do,

and I would gladly be in church, get up and go if I knew

That it would be a sermon I could do.

And it would be a blessing for me too

Em9 A13 Dmaj9, Em7, A7, Dmaj7
That may be all I need In darkness He is all I see

Come and rest your bones with Me

Arriving late on Sunday morning but I never want to leave

Jesus knows your every outline See the nail prints in His hands.

Calm the weather, We're together when it ends

That may be all I need In darkness He is all I see

AFRICA (93 bpm)

I hear the Lord asking for some light,
but I'll forget the whispers of that quiet conversation
He's coming thru but I just fight-
the money strings reflect the heart that guides me from salvation
I stopped from giving along the way- hoping to pay some long forgotten bills or loans of equity.
They called me up as if to say "hurry boy there's credit here for you"

It's gonna take a lot to get me to give You
There's nothing that a hundred bills or more could ever do
I'll make it rain down in Africa
Gonna break my pride to give the things we never had

The creditors call out in the night.
As they grow restless longing for payments to their company.
I know that I must do what's right.
As sure as Kilimanjaro rises like Olympus above the Serengeti
I seek to cure what's deep inside, frightened of this thing that I've become

It's gonna take a lot to get me to give You
There's nothing that a hundred bills or more could ever do
I'll make it rain down in Africa
Gonna break my pride to give the things we never had

Hurry boy there's blessings there for you
It's gonna take a lot to get me to give You
There's nothing that a hundred bills or more could ever do

Oh, Oh, Oh, in my darkest time, Oh, Oh, Oh, in my darkest time.

When You say good bye to me tonight
Will I still know what is wrong and right?
What else would I do? I'm so inspired by You.
This hasn't happened for the longest time.

Once I thought my destiny was gone,
Now I know that happiness goes on
I'm glad You found me- and You put Your arms around me
I know You're with me in my darkest time

Oh, Oh, Oh, in my darkest time, Oh, Oh, Oh, in my darkest time.

Now I hear Your voice in the hall,
You're the greatest miracle of all.
Oh how I need You, the whole world needed You too
When they are going through their darkest times.

Maybe I won't worry when You're gone, I know this is right, You're never wrong
Maybe I've been working too hard- but I've gone this far
And it's more than I hoped for

Who knows if the gospel will go on? I will preach it even when You're gone
I'll take my chances, even if Caesar advances
I know You're with me in my darkest times

I had second thoughts at the start, I said to myself, hold on to your heart
Now I know the servant that You are- You're wonderful by far
And You're more than I hoped for

I don't care what consequence it brings, I will preach the word of all things,
That You have shown me, I will proclaim the gospel,
I will always love You in my darkest time.
Oh, Oh, Oh, in my darkest time, Oh, Oh, Oh, in my darkest time.
